

Election to decide fate of three

By HENRY CANTIN

Registered and qualified voters of the Huron Township School District will cast ballots in a special election next Monday on the recall of three members of the seven member Board of Education.

The three newly elected school board members whose recall is being sought by a Huron Township citizen committee are:

Harry Hartsuff, 45, of 21850 Bell Rd., New Boston.
Mrs. Erma Palmiter, 51, of 32150 Prescott, Romulus.
And Mrs. Howard (Mildred) Bennett, 28111 Brandes, Flat Rock.

22 cars derailed in Huron

Twenty two cars and one of two locomotives of a 94-car freight train were derailed early Monday morning on the Penn Central tracks at the W. Huron River Dr. crossing. No one was hurt.

Railroad officials and administrative personnel from the Lincoln Park yards of Penn Central are investigating the derailment to determine the cause.

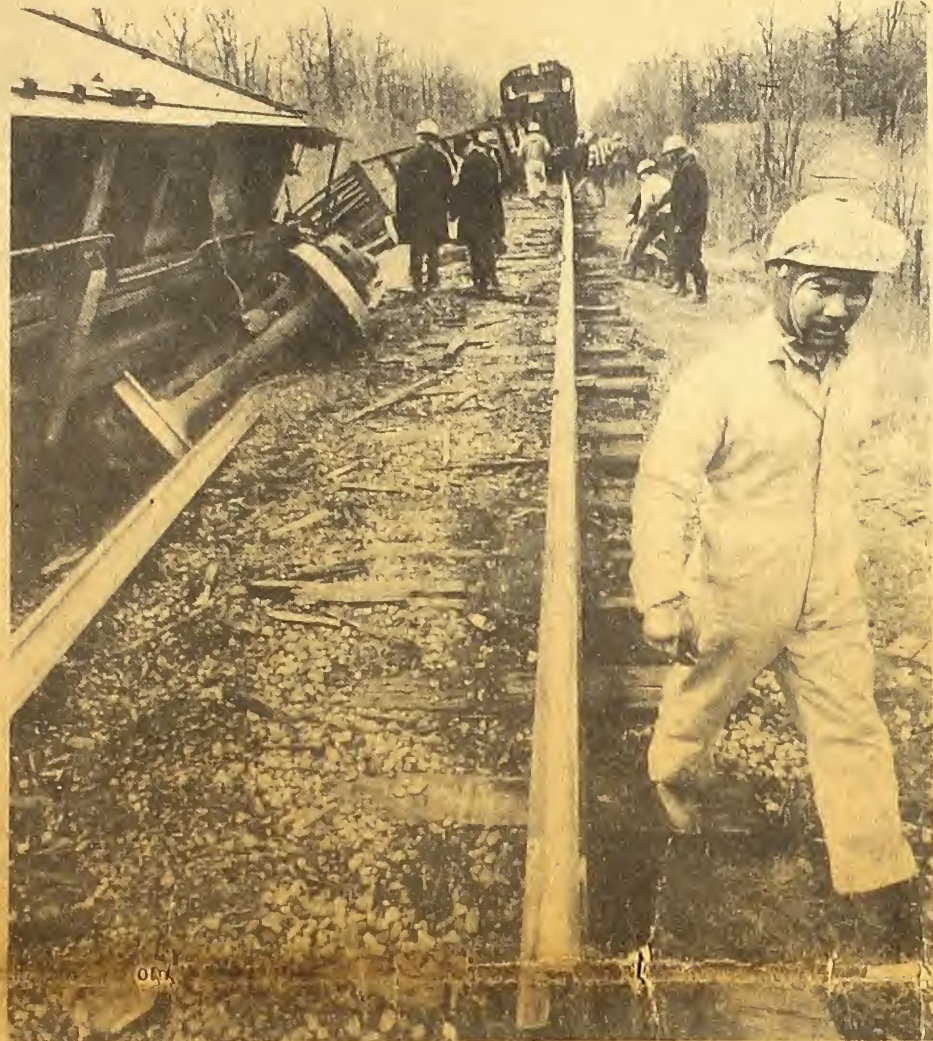

The long freight train was southbound and headed for Toledo, Ohio, with majority of the freight cars loaded.

Heavy railroad lifting equipment was immediately sent to the scene from Lincoln Park yards and Detroit.

State Police at the Flat Rock Post reported that the derailment occurred at 4:30 a.m. and by 7:15 a.m. the W. Huron River Dr. crossing was cleared for traffic.

The derailment is a replay of the Huron High School and west of Flat Rock.

A railroad spokesman reported that it will take at least 24 hours to put the derailed freight cars back on the tracks.

FREIGHT CAR DERAILMENT—Twenty two cars of a 94-car freight train of the Penn Central, loaded with reclaimed steel, sand and automobile parts were derailed at 4:30 a.m. Monday at the W. Huron River Dr. crossing in Huron Township. No one was hurt.

Railroad officials report that it will take two days to clear the tracks. Traffic at the crossing was blocked for two hours. An investigation to determine the cause is under way.

Byron K. Antcliff and the four school board officers has been initiated in Wayne County Circuit Court.

The suit, scheduled to be heard by Circuit Judge Edward S. Piggins in a matter of weeks, seeks to prohibit the teaching of sex education classes without proper guidelines and qualified personnel.

It was filed by four township mothers who are supported by another citizens group and the three school board members facing recall.

Voters will be asked next Monday to vote either "Yes" or "No" on three separate ballots.

The three voting precincts will open at 7 a.m. and remain open until 8 p.m. All in line at closing time will be permitted to vote.

Precinct One is located at the New Boston Elementary School, 19132 Huron River Dr.; Precinct two at Waltz Fire Hall, Mineral Springs Rd. Waltz, Mich.; and Precinct Three at the Huron Elementary School, 24820 Merriman Rd.

The "People for Huron" committee charges that the three school board members have harassed and brought unsubstantiated complaints against the superintendent, who recently was awarded a new three-year employment

contract with the school district, and the four school board members, School Board President Carl Rush; Mrs. Jean E. Richert, board secretary; L. Charles Larabell, Jr., board vice president; and Leo Kyko, board treasurer.

Reasons for demanding the recall of the three school board members as cited in the official ballot are:

"Failure to conduct themselves in office so as to represent the position of the undersigned electors and failure to conduct the duties of such office in a manner calculated to represent the best interests of the school district."

The three board members facing recall have made counter charges against the school superintendent and the four board officers who support him.

They have attacked the actions and policies of the school superintendent and seek his discharge.

The controversy has split the school district citizens into pro and con camps.

The recall election March 29 requires the attention of all eligible voters.

School officials as well as those heading the various citizens' committees urged an all-out vote on the recall question.

Huron school board president replies to charges against him

Carl K. Rush, president of the Huron School District's Board of Education, issued an official reply Monday to charges leveled against him by three school board members who are facing recall March 29 and their supporters.

The school president's statement follows:

Next Monday is decision day for Huron Schools. Either we continue the growth and progress of the past seven years, or we take a giant step backward.

As a member of the school board, I have tried to be fair and to prefer to remain neutral on intra-board affairs.

The unfounded, outrageous charges against me, of the past few weeks, make it necessary to speak up. Otherwise, my silence might

be mistaken by some of our citizens.

I am a "stoog" for no man. My record of civic service proves this point: Cubmaster of the New Boston pack; seven years on the Huron Township Planning Commission, and over six years on the Board of Education.

This has been done since my business is here, we live here, and my three children have attended school here.

Many of us in this community have worked hard to make it a better place. We do not always agree on procedures—but we work together to achieve results.

Recently a group of people has tried desperately to disrupt our entire school district. They freely admit, and seem proud to say, they

have the same beliefs, goals and principles of the John Birch Society. They deny membership in that organization. However, we are what we are by words, beliefs and actions, not by membership in a group at \$1 per year.

The election on Monday will be decisive. The voters must say yes to approve the planned and steady progress we have achieved in building an educational system.

Our children for the 1970's. Or, we say no and so doing, accept the group which would tear down the system from within. All of their charges have been disproven by the State Department of Education.

The time is now, not in June.

By then, some of our finest teachers and staff will have given up the fight for decency and good schools to move on to another area.

We cannot expect these people to work for progress and quality, if the citizens say no, we don't want that. (Incidentally, it would cost the District \$75,000, that we don't have, to fire Mr. Antcliff.)

Cast your vote on Monday and let us know what you want. Your "Yes" votes will let us know you want us to continue to give your children a better education.

"No" votes will tell us you want us to turn the school organization over to a group who misleads and confuses the public to attain their questionable goals. It is your decision. Don't be sorry on Tuesday that you failed to vote.

At troubled Romulus High

Students airing gripes

By HENRY CANTIN

Racial tensions at Romulus Senior High School have eased, it was reported, and school officials were optimistic Monday that regular and full school sessions will resume this week.

The high school was closed last Thursday because of an apparent tension building due to a series of incidents among students.

Both School Superintendent Robert L. McConeghy and School Principal Gerald Nault ordered a series of meetings with groups of students, leaders and members of the teaching staff in efforts to solve students problems after issuing instructions to close the high school.

Students, teachers and parents met last Tuesday and Wednesday nights to try to resolve the problems at the school.

Romulus High reopened for half-day sessions last Friday for juniors and seniors and held half-day sessions for

freshmen and sophomores on Monday.

Some students were dismissed from classes at noon last Wednesday following a week of sporadic in-school fighting.

The outbreaks it was stated, were on a small scale and were believed to be have been triggered by racial tensions.

Approximately 20 per cent of the school's 1,370 students are black. Several students have been suspended as a result of the disturbances.

During the past week a series of meetings and workshops have been held with junior and senior students to clarify student grievances and to map out a plan of action.

Similar meetings and discussions were held with freshmen and sophomores.

Teachers have been holding long sessions at the school to set guidelines for the resumption of regular class schedules this week.

Although parents, students, teachers and administrators report that school's problems are not yet defined (as of last

Friday), students have listed some general demands, including

A request that all students be disciplined on an equal basis.

Board secretary issues pre-election statement

Voters in the Huron School District will be voting next Monday on the recall of three school board members.

Since the recall campaign was initiated in January of this year, the school board members facing recall have issued many statements and listed charges against the four remaining board members. Some of these statements were answered.

Monday, Mrs. Jean E. Richert, school board secretary and one of the board members being attacked, made the following statement in her defense.

Appointment of students to monitor faculty and school board meetings.

Involvement of students in teacher evaluation procedures.

Establishment of additional

Her statement is made in the form of an open letter to the citizens and parents of the Huron School District. It follows:

My family and I have been residents of this community for 12 years. It has been a pleasant and fruitful 12 years. We have enjoyed living and working in this community.

We have five children, four of them attending the Huron Schools.

The oldest is 14, the youngest is 5.

For nearly four years I have

extracurricular activities aimed at giving students more to do after school hours.

The fulfillment of promises students say were made for black studies workshops and black history books.

been on the Huron Board of Education. I have tried to do this work diligently, both for my own children and for yours.

For the last two years I have been harassed and victimized by a smear campaign that has indeed made my job difficult. This has now reached a climax with the recall election, March 29, of Mrs. Mildred Bennett, Mrs. Erma Palmiter and Harry Har.

These three board members have not only attacked me, but my fellow board members, administrators, teachers and most importantly the children in our school system.

They have consistently spread untrue stories about our children and our schools.

In the beginning I tried to work with them. This is impossible. They have indicated this with the statement they have placed on the ballot for the March 29 election. It is in poor taste, untrue and most unchristian. They are trying to gain control of my children and your children's future. As a mother and a teacher, I cannot stand by and let this disaster happen.

My children and your children need you—

Please go to the polls and vote YES on Monday to stop this invasion of treachery.

I appreciate your help in saving our schools—I know you care, just as I do.

EXPLOSION AND FIRE—Romulus Police are investigating an explosion and fire that completely destroyed the J.C. Coin Wash, located at 36056 Goddard Rd. last Friday. Police Chief Jacob J. Koch reports

that the interior blast and subsequent fire was believed to be the work of arsonists. The business is owned by Jack McConnell of 325 Hoover St., Ann Arbor, who is assisting police in their investigation.

Arson suspected in fire

An explosion and fire that severely damaged the J.C. Coin Wash, 36056 Goddard Rd., last Friday evening, is believed to have been caused by arsonists, Romulus police reported Monday.

Two Romulus police officers, Sgt. Robert Taylor and Patrolman Robert Pidgeon

were at the scene when the explosion occurred. They escaped injury, Police Chief Jacob J. Koch reported.

The two officers were patrolling and checking business places in the area. They were about to check the doors at the J.C. Coin Wash, when the interior of the laundromat exploded.

Gasoline was believed to be

what ignited the explosion and fire, police reported.

The one-story cement block building was completely gutted and interior equipment, consisting of 15 washer units and 13 driers was destroyed, Chief Koch reported.

The coin wash is owned by Jack McConnell, 325 E. Hoover, Ann Arbor.

Joint forces topic

The Romulus Democratic Club will hold its regular monthly meeting at 8 p.m. Thursday, March 25, at the L. & L. Hall, 11114 Sterling St. Romulus.

Speakers from the Romulus Police Department and the Wayne County Sheriff's Department will be there to give their version on why the Romulus Police Department should or should not be consolidated. Citizens who are interested in this issue are asked to attend the meeting and bring a friend.

Carriers collect

The carrier boy who delivers this newspaper to your door will be calling to collect 50 cents for the month of March. This will include payment for the issue of Mar. 31. If your paper was started later in the month, he will collect a smaller amount.

This will be the first collection for many of our carriers.

Your carrier will appreciate prompt payment. If you have any suggestions on how he can improve his service to you, he invites your suggestions.

Thank You
The Circulation Department

Lent is leading to something dynamic

Editor's Note: The following is the fourth of a series of Lenten Sermons by area pastors and leading churchmen. This week's article was submitted by Rev. Wilson F. Wood, pastor of the Belleville United Presbyterian Church.

When you subtract the Sundays which are not part of the Lenten Fast the season of Lent is 40 days in length. That number of days has been identified with the time Moses spent on Mt. Sinai, with the 40 years God's people spent wandering in the wilderness of the Sinai peninsula, with the 40 days Jesus spent in the wilderness and the 40 hours his body was in the tomb.

All of these periods of time have at least one thing in common; they preceded something new, unexpected and dynamic, something that would change the lives of man and the course of history.

In these days when we are being continually reminded that mankind is on a course bent for destruction, it seems a Lenten observation

much in order. This is not to say that the world's problems will go away simply because people are observing Lent, but observing a tradition that recalls faithful persons struggling through seasons of despair that were followed by new and exciting eras can deliver man from the conclusion that he is the inevitable victim of disaster.

If we chose to do so we could spend ourselves on that dreary conclusion. We could stay sealed up in a tomb of hopelessness.

On the other hand we could observe our dilemma as one might observe Lent; believing that life is not spent unexpectedly, the dynamic will appear. That is the choice man has.

Teilhard De Chardin wrote, concerning that choice, "Once I at first choice has been made the first distinction has been drawn between the brave who will succeed and the pleasure seekers who will fail, between the elect and the condemned."

Our readers write

Mrs. Bennet blasted for 'wild accusations'

To the editor:

On March 18, Mrs. Bennett, a Huron School District Board member, and four other Huron Township ladies barged into a Huron High School classroom making wild accusations about the student teacher in front of her and her students.

All of the accusations were either taken out of context, or grossly exaggerated.

The act which ignited the incident was when the student teacher, aggravated by the class, conduct used several swear words (this action the Huron Education Association does not condone); however, we are sure, all of you as well as all of us have made similar errors.

The student teacher does not make a practice of using such language. Should we condemn a person (teacher) for making a "human error"?

Other accusations made included the student teacher admitting to the class having used drugs: condoning their

use and telling students what to do in case of a drug raid. These accusations are not true and were mere fabrications.

The truth is, that the students of the class insisted on discussing drugs and their consequences after having seen a high school program on the bad effects of smoking.

During the discussion the student teacher emphasized only the bad effects of drugs. This can be substantiated by the supervising teacher who was present during the discussion.

The five intruders objected more to the fact that drugs were discussed than what was stated about them. Mrs. Bennett specifically told the student teacher to teach only subject matter and to avoid all questions about crucial issues such as drugs.

In answer to this statement we ask, should controversial issues be avoided to the extent that the young people are forced to experiment in order to satisfy their curiosity? Or should their curiosity be satisfied by answering their questions? Which is more harmful?

The Huron Education Association contends that the act of confronting a teacher with accusations in front of a class is detrimental to the students' image of adults, the educational establishment, as well as it could be detrimental to the teacher's effectiveness in that class in the future.

This could readily be seen in the students reaction to the incident. They were upset the remainder of the day.

Many concerned students asked the student teacher and the regular teachers how they could retaliate. They were encouraged to refrain from violence and to take the problem to their parents.

The HIEA contend that parents' and board members complaints to teachers should be made through proper channels. We also encourage parents to make their complaints known in order that they may be dealt with constructively.

The association knows that the control of this type of situation cannot be controlled by local school officials, so we ask you the concerned citizen to aid us by giving your support and to act now to eliminate similar incidents.

We assure you that we are very concerned about the quality of your children's education and want them to have the educational experiences which will help them lead a more productive life.

Crime statistics show emphatically that keeping young people uninformed about the issues facing them (drugs, smoking, etc.) is detrimental. You must act now to alleviate this growing problem of ignorance.

HURON EDUCATION ASSOCIATION

Reader thanks Hart for handicapped show

To the editor:

I'd like to inform the readers of your newspaper of the recent pleasure of hearing Mel Hart perform in the downriver area.

He is a musician who has deep feeling for the physically handicapped, in as much as he has donated much of his time and talents in entertaining the crippled children in the Detroit area.

His little bit of time, has given a whole lot of enjoyment to the less fortunate children, who are unable to seek enjoyment on their own.

We have found the most effective answer as yet to a national problem in rehabilitating the physically handicapped, but we do know that we can be grateful to one of our finest men in the music field, Mel Hart, who has found his talents of singing and playing country style and modern music most rewarding in adding his share of rehabilitation for the physically handicapped.

A musician who has great potential and is a performer concerned with people doing the right thing is the type of musician that we can live by, as it has lived in the past, and will continue to live in the future, as long as we have a top-notch entertainer like Mr. Mel Hart, with a heart.

Attendance urged at drug program

To the editor:

We had the first of a four-part drug program Wednesday night at Huron High School. We had roughly 120 people attend. I must say we were disappointed. There should have been 500.

There is definitely a drug problem in Huron schools. Some of you have said you were not interested, that it's not that bad. Well let me tell you, it is bad. Don't wait until it hits home to be concerned.

There are more children than yours, and it is our duty as human beings to have an understanding of drugs and their abuse and enough compassion for all our children to help in any way we can.

When you hear of these young people being on drugs, don't feel so high and mighty but say "There but for the grace of God go mine". So come on parents, learn while we can and do what we can.

The next program will be on Wednesday, March 31, at 7:30 p.m. A film will be shown and an attorney and a doctor will be on the agenda to answer questions for those of us who have wondered about the facts for so long.

Please try to be on time. If you are late you may miss something important.

Reason not apparent in recall campaign

To the editor:

After attending many, many Huron School Board meetings I can't see any reason whatsoever for recalling board members, Mrs. Bennett, Mrs. Palmiter and Mr. Hartsuff, in the March 29 recall election.

In fact we owe them thanks for doing and saying things that had to be said. Please vote against this purge.

Betty J. Davis

Legislators' tally sheet

Beginning with this issue, the Belleville Enterprise and Romulus Roman will list a weekly tally of local legislators' voting on major roll call issues in Lansing during the previous week.

The legislators include Sen. William Faust (Democrat - 13th District) for the cities of Belleville and Romulus and townships of Huron and Van Buren; Sen. John E. McCauley (Democrat - 11th District) for Sumpter, and Rep. Edward E. Mahalak (Democrat - 38th District) for all of the above listed areas.

A synopsis of the measures will be used, followed by their disposition and local legislators' actions.

STATE SENATE

House bill to allow a filing fee to be filed by a candidate at the same time petitions would be filed. Passed, 21-11. Yea - Faust, McCauley.

House bill to allow elections workers to count absentee ballots before the polls are closed. Passed, 26-6. Yea - Faust, McCauley.

House bill to repeal bounty on coyotes. Defeated by three votes (17 yeas, 15 nays.) Reconsideration vote defeated, 17-14. Yea - Faust, McCauley.

Senate bill allowing corporations to buy bank stock and control financial institutions. Passed, 27-7. Yea - Faust. No vote - McCauley.

HOUSE OF REPRESENTATIVES

House bill empowering township boards to contract for maintenance and improvement of private roads and to provide payment of contract by special assessments. Passed, 88-10. Yea - Mahalak.

Rep. Allen motion appealing speaker's ruling that it would take a suspension of the rules to upset sending the Senate-passed liberalized abortion bill to a committee other than the one to which it was referred. Defeated, 57-41, upholding the speaker's decision. No vote - Mahalak.

Rep. Allen's motion to suspend the rules. Defeated, 70-30. Nay - Mahalak.

Resolution to investigate the Aid to Dependent Children (ADC) program. Defeated, 52-52. Resolution was referred to committee on social services and corrections. May Mahalak.

House bill placing local water systems under the Michigan Public Service Commission if they serve 25,000 or more people outside their boundaries. Question was sending the bill to appropriations committee. Passed, 53-46. Nay - Mahalak.

Bill to establish civil service commission for sheriff's departments in large counties. Passed, 88-16. Yea - Mahalak. Measure to require Blue Cross and Blue Shield to honor contracts with licensed osteopathic hospitals. Passed, 86-14. Yea - Mahalak.

SIGN OF NEW OWNERS — The flying of the American and German flags atop of the Metal Fabricators Division of The DeVilbiss Co., Romulus, may be a common sight from now on. The plant, located at 39635 Expressway, is being purchased by The Otter Durr Inc., of Stuttgart, Germany, it was reported Tuesday. The German firm is a manufacturer of finishers.

Narco adds to program

Speakers from NARCO added support to a PTA sponsored drug education program when they met with the Hayti Elementary School PTA on Monday, March 15. Two young people who had first hand knowledge of the results of drug addiction attended the meeting to enter into an interesting, informative and personal dialogue with the audience, describing the events that led

them into narcotics addiction and the road they had to take to re-enter society.

During the business meeting an election of officers was held that saw incumbent president Mrs. Gordon Zavitz re-elected for the second year.

Mrs. Zavitz has served her community on a variety of committees and commissions, helping spearhead many successful school projects.

She has also worked with scouting, Little League baseball and football and is now a noon supervisor at Hayti Elementary School. Those elected to serve with Mrs. Zavitz were: Vice president, Mrs. Herb Allen; Teacher vice president, Don McCrary; Secretary, Mrs. Ralph Farrell; Treasurer Mrs. Don Smith. A new picture for the school library was purchased by the PTA.

Lenten activities continue

Special meetings and get-togethers continue to mark the Lenten season at the United Methodist Churches of Romulus and New Boston.

On Sunday, the second Youth Emphasis Sunday will be held at the New Boston United Methodist Church on Huron River Drive. It will be a special recognition day for all members of the Council on Ministries and the Committee on Records and History.

On Tuesday, the third Lenten dinner will take place at the United Methodist Church on Olive Street,

Romulus. Potluck dinner will be served in the church basement, beginning at 6:30 p.m.

Arts Club hoping for more support

The Romulus Theatre Arts Club will present its spring production of "The Thread That Runs So True", a three act play dramatized by Reginald Lawrence from April 2 to 4, at the Romulus High School Auditorium, 9650 S. Wayne Rd.

Romulus High school boys and girls have been rehear-

sing after school and on Saturdays to prepare the performance and are hopeful of community interest and support for their efforts.

Faculty advisor and drama coach David Ferdon, although an Industrial Arts majoy, became interested in the theatre while in college.

He firmly believes that dramatics provides a constructive avenue of expression for young people. "I only wish that every kid had a chance to express his own potential through a theatrical experience," he said.

The group's first performance in December of last year, was poorly attended, leaving the new auditorium practically empty and the young performers, discouraged. But the new cast of twenty eight and their director are hopeful that support from area PTAs will boost ticket sales and help fill the house for their latest effort.

Jaycees sponsor movie date

The Huron Township Jaycee Auxiliary is planning on a second "movie date" for Huron Township children. It will be held from 1-3 p.m. at the Huron Junior High School Cafeteria, March 27.

There will be a donation of 25 cents at the door and 5 cents for popcorn during intermission.

Next drug education session is March 31

The second of a four evening "attack on drugs" program will be held at 7:30 p.m. at the Huron High School on March 31. Community School Director Roger Benner announced Monday.

The program is designed by an advisory group composed of students, concerned adults, the Huron Township Jaycees and Benner.

The second program will consist of a film on drug abuse, a doctor to answer technical questions and an attorney to discuss the legal aspects of drug abuse.

The Huron Jaycee Club's Auxiliary will provide babysitting service for those with younger children.

The program is designed for adults and is geared toward answering the questions that are asked about drug abuse.

In the first program entitled "What are Drugs?" and held last Wednesday, E.A. Coppess, international operations product manager, medical-surgical products, Parke, Davis & Company, was featured.

Pamphlets describing what reaction to expect from persons abusing each of the different drugs were handed out. Marijuana awareness wafers were burned to enable the audience to acquaint themselves with the smell of "grass."

The third evening program will be held April 20. It will feature John Graves,

psychology professor at Wayne County Community College. He will speak on "Why Used and the Effects of Drug Abuse."

The fourth program is scheduled for May 4 and it will be an informal discussion on what can be done about local drug problems.

MARIJUANA AWARENESS - A demonstration to show parents attending the opening of a community-wide Drug Abuse Program at Huron High what marijuana smells like, was performed by Cecil Smith, 20418 Merriman Rd. (right) who ignited a simulation wafer. Andrew Nagy, 36872 Huron River Dr. looks on. The program's first meeting was well attended.

New band entertains boosters

The newly organized stage band of the Romulus Senior High School entertained members of the Romulus Band and Orchestra Boosters Club at the club's regular meeting held recently.

The program of modern music was directed by Gideon Pettway Jr. The musical program included "Going On," "Take Three," "Laura" and "Everybody's Rocking."

The students who performed were Leona Bazart, piano; Mack Stillwagon, bass guitar; Gary Baker, drums; Robert Morrison, trombone; Michael Jones, Aaron Cross, Virgil Smith and Ronald Bobo, trumpet; Michael Cross, Avery Pantallion and Fred Bruckner alto sax.

Others were Gilbert Baker, Mario Cowling and Glenn Hayes, tenor sax; Patricia Bell, baritone sax.

The club's next meeting is scheduled for April 22.

Students village visit part of history study

The fourth grade class at Beverly Elementary School visited Greenfield Village last week as a culmination of their study of early American history.

Braving the cold and snow, the children, with their teacher Miss Patricia McCabe walked through the picturesque reconstruction of colonial America to really get the feeling of how it was then.

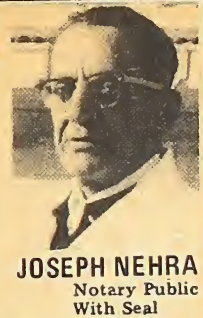

Earlier this month, the sixth graders visited Wayne County Circuit Court, in Detroit to witness the court in session, visit the judge's chambers and tour Mayor Gribb's office.

As part of their study of law and government, they also had a special program with the court clerk as guest speaker to precede their court visit.

In our opinion

Thieves should think before they shoplift

Law and order has been a popular political issue. But so far, the trend seems to have been toward less law and less order. In at least one area, however, hard economics is forcing a reversal of the trend.

The nation's retailers are getting tough with shoplifters. Stores are taking measures to catch the shoplifter in the act. They are no longer letting teen-age shoplifters off with a lecture and a warning. They are turning them over to the authorities.

Store managements are becoming convinced that the proper way to deal with young shoplifters and their parents is through the police and the courts.

The old excuse that it was "just for kicks" or that "I'm a juvenile" will be of no avail. A shoplifting offense is very likely to lead to a police record that will haunt a young person

the rest of his life, requiring explanation and causing embarrassment. Certain jobs are forever closed to anyone with a criminal record.

It is now estimated that \$8 million in goods are stolen each shopping day. That totals nearly \$3 billion a year, a drain on merchants that can only be made up in higher prices paid by all consumers.

In these inflationary times, the honest consumer will be grateful for new measures of law and order in dealing with shoplifting.

Retailers now employ, in top security posts, former policemen or FBI agents. Plainclothesmen, cameras, TV monitors and other scientific detection devices promise to shorten the careers of those who have made the petty thievery of shoplifting a major national problem.

In years gone by...

A look through The Daily Eagle files at news of Western Wayne County one, 15 and 25 years ago:

25 YEARS AGO

March 24, 1946 -- Mr. and Mrs. Lewis Krauss of Inkster were visitors of Mr. and Mrs. Lester Evans and family of Barton street.

Discharged from Camp McCoy, Wis., Harold Loop, 26-year-old son of Mr. and Mrs. Ray Loop at 29804 Bridge street, Garden City, is now staying at the home of his parents.

Joan Skerrett, daughter of Mr. and Mrs. Joseph Skerrett of 35030 Brush street, became the bride of Clarence Vennoy Carpenter, son of Mr. and Mrs. E. Vennoy Carpenter of 34566 Chestnut street, at 8 p.m. Sunday at a double ring ceremony at Wayne First Congregational church, conducted by Rev. Erwin A. Britton, pastor.

Members of the St. Clair Oil sponsored bowling team journeyed to Saginaw to participate in the Women's State tournament.

Waynites present were: Mr. and Mrs. L.W. Valade, Mr. and Mrs. George Enot, Mrs. Rony Reiser, Mrs. Larry Frye, Mrs. Edward Hasty, and Mrs. Robert Burgh.

15 YEARS AGO

March 24, 1956 -- Magneto trouble and a snow storm compelled Mr. and Mrs. Neil Forbes, flying south in a four-passenger Stinson Voyager, to make a forced landing in a cornfield three-fourths of a mile south of Craigville, Indiana.

A list of 238 Michigan hospitals licensed to provide

maternity care was released by the state health commissioner. Local hospitals in Wayne county listed as qualified are Carpenter Hospital and Clinic in Wayne, Garden City hospital, Dr. Kern's Office Delivery in Garden City, Belvil Community hospital, Milton Medical center in Inkster, Nankin hospital in Wayne, and Romulus hospital.

Mrs. Emma Meyer of Biddle street reports that she received a very interesting letter from Pvt. Llewellyn Reno, formerly of Wayne and now of Frankfurt, Germany. Pvt. Reno attends school when he is off duty and recently made a trip to Copenhagen, Denmark, and Amsterdam, Holland. He saw the beautiful tulip farms and the royal palace complete with the changing of the guard.

For the Inkster track team it was just another meet as the Vikings ran second to Pontiac and walked off with 14 medals in the Huron Relays at Bowen Fieldhouse, on the campus of Michigan State Normal College.

In the 440-yard relay, Inkster's combination of Leonard Akridge, Charley Bond, Charley Kyser, and Charley Calloway swept past all opponents to cop first place.

ONE YEAR AGO

March 24, 1970 -- Letter carriers from the Inkster Post Office voted to end a day-and-a-half walkout. The mailmen were scheduled to return to work tomorrow morning.

EDITOR'S NOTE -- Persons with oldtime pictures of general interest with our circulation area and suitable for printing are urged to contact the Daily Eagle for possible publication of the remembrance photographs. Pictures will be returned to their owners.

Public officials forum

Busy week in Michigan House

The past week has been a busy one for House members. There were a number of significant bills passed and sent to the Senate. The evenly divided Senate (19 Democrats and 19 Republicans) has had trouble getting started because of organizational differences, but now appears to be getting legislation rolling.

The Senate has passed two bills sent over from the House, plus several of its own bills. These included a Senate bill which would reform Michigan Abortion statutes.

The Senate measure would permit abortions in the First 90 days of pregnancy for women who are residents of Michigan. There would have to be consent of the husband if he can be located.

One of the House bills approved by the Senate would

authorize certain townships to make assessments for sidewalk construction. The other provides for the reinstatement of void corporation charters.

One of the major issues before the legislature in recent days was a proposal to shift \$45 million from the uninsured motor vehicle fund to the financially starved state general fund.

The House, by a 67 to 30 vote, agreed to the plan. It is part of a program to prevent the general fund from ending the fiscal year with a deficit of some \$108 million. Such deficits are expressly forbidden by the State Constitution.

The bill to transfer the money on a loan basis has several noteworthy features. One is that the money must be repaid to the uninsured motor

vehicle fund with interest. The Senate also is considering a bill on its own to borrow from the fund, but that bill does not mention interest.

Another important feature of the House bill is a provision to eliminate the \$1 fee which insured motorist must pay into the fund when they buy their vehicle license plates. The fee would be done away with as soon as the surplus in the fund reaches 40 per cent. This is expected to take place by November.

The bill also increases the fund's personal injury coverage from \$10,000 to \$20,000, the maximum for any one accident from \$20,000 to \$40,000 and its property coverage maximum from \$5,000 to \$10,000.

The House also has approved two bills which should be of considerable aid in our uphill

Donna Harding of the Wayne TOPS (Take Off Pounds Sensibly) Goal Getters took the weight loss honors for the year at a meeting of the group.

On Oct. 6 of last year, the Livonia Board of Education took the first step in forming a community task force to study drug problems in the Livonia School District.

Study committee members to focus on programs of awareness, prevention, and rehabilitation were appointed by community and school executives.

Mayor Eugene McKinney appointed two Westland residents to the committee. They were Mrs. Connie Hierta of 29193 Brody and Carl Block of 30524 Avon Pl.

Postal workers in Garden City have voted to stay out, 100 per cent strong, said Dwight White, president of the 43-member union local 1040 of the National Association of Letter Carriers.

Carriers walked off their jobs at 7:30 p.m. Saturday in agreement with the Liberator District, a 13-city Detroit area postal workers' union. Since then picketing has been scheduled on a day to day basis at the 1854 Middlebelt Rd. post office.

Arson is suspected in a fire which ravaged an abandoned barn at Joy and Ridge Roads.

Canton Township Fire Chief Mel Paulen said the barn, which had been the subject of earlier vandalism of aiding and other wood trim, was completely destroyed. He gave no loss estimate.

Speaking of schools

Title I program described

Although the purposes of the Van Buren Title I projects are sensible and down-to-earth, the results are carefully evaluated each year. On the basis of these in-depth reviews, revisions are made to more closely meet the needs of our students.

Since 1968, The Van Buren Title I Projects have been designed around the sensible, practical objectives of:

a. Teaching "Johnny" to Read, holding his reading gains and continuing to meet and master each progressively more difficult reading goal;

b. Increasing "Johnny's" motivation towards accepting self-responsibility (or accountability) as one means towards decreasing tendencies towards potential disruptive and-or delinquent behavior and permanently increasing his reading performance.

Self-responsibility is not innate. It is a learned behavior. It is easier for the "haves" than the "have nots" to acquire it. Thus the Van Buren Title I staff and some of the teachers do employ simple,

EDITOR'S NOTE -- The accompanying article is the first of a two-part series about the Van Buren School District Title I program. It was written by Mrs. Ella Woolery, director of the Title I program. The second part will be printed next Wednesday.

unelaborate techniques in behavior modification. The purpose of these techniques is to encourage the students up to their own individual capacities to accept their own self-responsibility and then to get around to the business of demonstrating in measurable ways their own success.

The Van Buren Title I uses no expensive equipment, no computer and makes no lavish experimental studies. The foundation of our programs is based on the common sense advice of teachers, parents and students in:

(1) Integrating and supporting the classroom teacher's reading programs with the services of

part-time Reading Teachers and Para-professionals;

(2) Utilization of all existing reading materials and some new Title I material;

(3) Utilizing materials and methods developed and individualized as closely as possible by the Title I staff.

We do study the Reading research and those parts which appears promising, relevant and inexpensive are incorporated into our projects. This includes accountability minor behavior mod techniques and the setting of behavioral objectives.

We so concern ourselves with the "fashionable cliché", accountability.

The accountability forms used by the Van Buren Title I staff specifically spells out each person's accountability towards Johnny's successful growth in reading and social behavior. This form also includes Johnny's own accountability. It further states accountability by whom, for what, and to whom.

Our readers write

Reader says Antcliff 'beating around bush'

To the editor:

Huron School Supt. Byron Antcliff is still up to his old tricks of beating around the bush!

Mr. Antcliff, did you or did you not issue a permit to the Mobile Health unit to use our school site? If not, why was it there?

If you did issue the permit why have you hidden this fact? And isn't it true that girls sixteen and older can receive family planning information and the "pill" from this unit without parental consent? Please, tell it like it is!

Mr. Antcliff, states the poem "Share" is not an open invitation to smoking reefer; after reading this poem, the only thing I found lacking was the gold ingrating!

Mrs. Jean Richerts statement in March 20 issue of the Monroe News stated, "the recall petitions were submitted at the Feb. 15, 1971 board meeting, " Did the ever-invisible People for Huron submit invisible petitions? Isn't it odd, that people at the meeting didn't see this happen.

Is the taxpayers money being used by People for Huron to receive advice from the school districts lawyers, Thurn and Thurn, on the recall?? Isn't this a conflict of interest?

Now! "We have a drug problem," states Huron school district. Better late than never Mr. Antcliff? If our memory serves us, this statement was made a year ago by many concerned parents, who were immediately labeled "nit-pickers."

Has the problem now gotten so out of hand that you can no longer control or deny it? Or have you and some ex-board members finally turned on your hearing aids?

Concerned Parent

Official wants to continue serving

To the editor:

Three years ago on the very day I am writing this letter, I signed an agreement with the Huron School District Board of Education to serve as superintendent of schools.

I did so, fully aware of the problems which faced the district at that time, including millage losses, building needs and a long history of community friction. In leaving a very comfortable situation, I knowingly assumed a great challenge. I did so because of many reasons.

Most important of all, I found the people of the community to be wonderful, warm human beings. I found qualities in many citizens rarely found today. I felt the students were as fine a group of young people as found anywhere.

With such fine people, I was puzzled at the upheaval the community had been going through. I wanted to be a part in solving that problem.

Since that time I believe the school district has improved in many ways. This includes fine buildings, an improved vocational program, a much improved teaching staff, and an outstanding community involvement program, including adult education.

Lansing report

Milliken, Gribbs like revenue sharing plan

By DON HOENSHELL

LANSING -- Dreams of millions of federal dollars flowing into Michigan from Washington recreates the vision of kids measuring the size of doughnuts.

It's a question of how much the state can get on terms it prefers.

At the moment, the federal government is asking the states to take their choice. Michigan wants all the money it can get, just as long as it's green.

Gov. Milliken, and lately Detroit Mayor Roman S. Gribbs, want President

Nixon's federal revenue sharing plan. It would mean \$229.4 to the state, about \$100 million earmarked for the cities.

House Speaker William A. Ryan (D-Detroit) and key legislators on both sides of the political coin want the federal government to take over all welfare costs, or about \$327.4 million more for Michigan.

The Nixon plan would automatically allocate money directly to the cities. The federalization of welfare costs would send it all to the state with lawmakers deciding how much to give the cities, and when.

Milliken isn't going to hold fast to his argument if the welfare plan becomes more possible of achievement because, at the moment, Michigan needs more money more than philosophy.

Ryan agrees, arguing that the legislature will take care of the cities if the welfare route is chosen.

"If that should occur, then I would certainly hope that our state legislature would devise a plan to pass on some of that saving to the cities, to the urban areas," he said.

It is true, Ryan concurs, that northern industrial states -- such as Michigan -- would benefit more from the federalization of welfare costs.

"The states that would get the most would be those which have had to carry the heaviest burden," he said.

THE SILENT SURVEYOR—A close-up view of the all-important a surveyor's major tool was made by staff photographer Lothar Konietzko at the start of the construction of a new addition to the Belleville branch of the Michigan Telephone Co., 25 Second St. Both equipment and men arrived

on the site Monday to begin work on the expansion project which, when completed this September, will add switching equipment to the local facility to take care of 800 additional customers' lines.

Bell expands office

Construction of a new wrap-around addition to the Belleville central office of Michigan Bell Telephone Co. has been started.

The expansion of the Belleville division is being made to meet the heavy demand for service in the fast-growing Belleville area. A local Michigan Bell manager Eugene L. Greek announced.

The construction at the 25 Second St. location will reportedly cost \$310,000. The project will provide switching equipment for 800 additional customers' lines, Greek said.

The addition, which will cover a 53-foot by 21-foot area on the side of the existing building and a 21-foot by 11-foot area in the rear, will be constructed of block and brick, with a flat roof.

Completion of the added facility is scheduled to this September. Installation of the switching equipment is expected to be finished about the middle of 1972.

The Minion Construction Co. of Ann Arbor is the doing the work and Planners Associates of Detroit is the architect.

Can will admit one

A cartoon show will be presented each Monday afternoon at 4 p.m. at the Hayti Elementary School, 30155 Beverly Rd., beginning on March 22.

Sponsored by Boy Scout Troop 830, the venture will be to stock the shelves of the general store that will be a feature of the annual PTA spring fair, May 1.

Admission to the show will

be a signed permission slip from the child's parents and one can of canned fruits or vegetables.

The show will be over by 5:30 p.m. when parents are to pick their children up at the school.

Commission recommends concurrence

The Van Buren Township Recreation Commission has recommended to the township board that it approve a request made by Harry Hidenfelter, athletic director of Belleville High School, for permission to use the baseball diamond located behind the township hall, 46425 Tyler Rd.

Hidenfelter made the request on behalf of the baseball players at North Junior High School.

The diamond would be used during the months of April and May.

'Y' meets scheduled

"Y" members are reminded of a meeting of the Young Matron's Group, tomorrow (Thursday) to be held at 9:45 a.m. at the special Services Building, 7335 Washington St. Romulus.

Nursery mothers YWCA members and friends are invited to attend to learn about Macrome weaving. Bring along heavy twine or yarn to practice, urged Miss Aileen Grey, YWCA field representative.

Restraint petition hearing slated

Wayne County Circuit Court Judge Edward S. Piggins will hold a hearing at 3 p.m. tomorrow (Thursday) on a petition for a restraining order prohibiting the recall election against three members of the Huron Township School District's Board of Education.

Larry S. Davidow, attorney for the three board members obtained an order to show cause against the school board on why the recall election should not be cancelled.

The petition for the restraining order contends that the school board failed to give proper notice of the special election as required by state school law.

Mrs. Jean E. Richert, school board secretary, stated the school board followed the legal instructions of the Michigan attorney general's office and school board attorneys and contends that provisions of the State Constitution supersede the state

school law cited as a basis for court petition.

The three school board members who initiated the order to show cause were: Mrs. Howard (Mildred) Bennett, Mrs. Erma Palmiter and Harry Hartsuff.

Would corrupt their own children, let alone someone else's — or expose them to evils, pollute little girls, support an incompetent administrator?

VOTE "YES" IN THE RECALL—YOUR "YES" VOTE MEANS :

YES—I want school board members that care about our kids!

YES—I want decent schools for our children!

YES—I want continued progress in our schools!

YES—I want our children educated in a moral atmosphere!

Vote - YES! YES! YES!

Your Vote Does Count!

VOTE "YES" MARCH 29th

If you care about your children in the Huron School District

VOTE "YES" ☒ MARCH 29

WE FEEL THAT MRS. PALMITER, MRS. BENNETT

AND MR. HARTSUFF SHOULD BE RECALLED!

Below is their statement from the ballot of what they believe about the Superintendent and their four fellow board members.
Please read their statement. This statement represents what they feel and how they think. With this attitude, its easy to see why they have not served our school district well!

JUSTIFICATION OF CONDUCT IN OFFICE

I have opposed the illegal actions of Byron Antcliff, the Superintendent, and his four Board of Education Stooges.

Antcliff has repeatedly lied on important matters having to do with the Huron School District. He has insisted upon secret meetings of the board and keeps out citizens who have a right to be present.

The four stooges have utterly failed to live up to their responsibilities and have approved without question all the horrendous misconduct of Antcliff.

I have fought against secret meetings, the holding of which has permitted Antcliff to lower school standards, making a mockery of education.

I have opposed sex education in our schools — a practice which corrupts our innocent children.

Antcliff and his four stooges cannot stand exposure — therefore they want me recalled so they can continue Antcliff's dirty work — without the people knowing what is going on.

Antcliff should be fired. With our present three opposed to Antcliff — and the next school election ousting two of the four stooges — we shall have a majority to rid our school district of an incompetent, untruthful, practitioner of the evils that have cursed our school system.

PAID FOR BY "PEOPLE FOR HURON"

Mother Goose and Mr. Fiddler at Westland soon

Mother Goose Storyland will be presented at Westland Center March 29 through April 4 with shows at 5 and 7 p.m. daily; 3, 4, 5 and 7 p.m. Saturday; and 3 and 4 p.m. Sunday.

Featured in the program will be Norman and Bethany Danzis, a Lincoln Park couple, who have developed a

program of songs and stories based on the kind of wholesome fantasy young children enjoy. The Danzis couple portray the characters of Mr. Fiddler and Mother Goose.

As part of their visit Mother Goose and Mr. Fiddler will hold a "Spring Poem Contest" with two first prize winners who will receive \$10 each. In addition, each day there will be drawings from entries submitted. Ideals Books will be awarded as prizes.

The contest is divided into two age groups to include everyone. The categories are ages 6 to 12 and 13 and up. Address all entries to Mother Goose, Westland Center, 35000 Warren Rd., Westland, Mich. Entries must be mailed by midnight April 1 to be eligible. The Danzis began their careers as Mr. Fiddler and Mother Goose after a flash of inspiration in the middle of the night, July 5, 1969.

Disturbed by the violence prevalent in the world, Mrs. Danzis had been trying for some time to think up something constructive that she and her husband could do to bring happiness to people of all ages and especially children.

She hit upon storytelling as the answer.

MR. FIDDLER AND MOTHER GOOSE

'1776' is Fisher's best

By HOWARD ALLEN
Eagle Drama Critic

Two years ago a few flaws were suggested in the book of "1776" the rousing musical about the Continental Congress which declared independence from England in an epochal session at Philadelphia in 1776.

They are still present in the national company's current production at the Fisher Theatre, but, reviewing the whole again, and a magnificent conception it is by any standards, it seems almost chintzy to cavil about attempts to drag superfluous females into it—did you know, author Peter Stone suggests, that Thomas Jefferson was unable to write a satisfactory declaration because his mind was sleeping with his wife whom he hadn't seen in months?

Similarly, attempts to point out historical defects have little merit either. Independence was approved on July 2 and the Declaration signed on August 2; the only thing that happened on July 4 was that the Congress voted to publish the declaration (which explains why it is dated thusly and the country's birthday so celebrated on that date) an event about as routine as approving the minutes of the last meeting. But having the declaration signed on July 4 falls within the reasonable scope of dramatic license as does telescoping time, skeletonizing the Congress and a score of other inaccuracies.

And Sherman Edwards' score—which escapes the routine only infrequently as in a magnificent attack by the slave states, "Molasses to Rum," sensuous and infectious; a witty jape by the conservatives, "Cool, Cool Considerate Men" and a plaintive folk comment by a revolutionary soldier, "Mamma Look Sharp," and lacks a rousing patriotic tune in the spirit of Cohan, —only confirms that the Peter Stone book is fully substantial enough to stand without music at all.

Stone's story is vital as are his people, humans all and not the monuments history has carved of them. John Adams, the father of Independence, is thoroughly obnoxious in pursuit of his goals, Jefferson is petulant and Franklin occasionally overbearing folksy. President John Hancock's singlemindedly swats flies during the hot summer Philadelphia days.

This is fascinating history, the compromises and intrigues necessary to produce unanimous agreement on independence. Caesar Rodney was dragged from a death bed because his vote was necessary to give Delaware a majority for independence; an anti-slavery clause had to be stricken over Adams' bitter objections because the Carolinas would not approve the document otherwise; and Pennsylvania's vote was obtained by a sheer fluke.

"1776," despite its preordained overcome is high drama, crisp and brittle with literate dialog and sharp debate, momentous, portentous and fully realized, sharply staged by Peter Hunt. Rex Everhart is superb as the colorful Franklin, Patrick Bedford passionate and hot as the unpopular Adams, and George Hearn cold and correct as the pro-British Dickinson, George Backman's Jefferson is not fully realized. "1776" is the high point of the Fisher's year.

Marilyn Maye opening at Lofy's Pavilion Room

Vocalist Marilyn Maye begins a nine-day engagement at Lofy's Pavilion Room, 42390 Ann Arbor Rd., Plymouth, tomorrow night, following an engagement by Della Reese. Miss Maye, whose best-known recording is "Step to the Rear", is a Wichita girl who made her reputation in Kansas City, where she has been packing The Colony for many years.

In February of 1966 she received a Grammy Nomination as "Best New Artist" and in July of 1966 she was voted "Most Promising Female Vocalist" in the Cash Box poll of disc jockeys.

Guest appearances and her own local radio show led to a guest appearance on the Steven Allen show. She has followed up with appearances on the Mike Douglas Show, Merv Griffin, Joey Bishop, Kraft Music Hall, The Hollywood Palace and Johnny Carson's Tonight Show.

Her RCA Victor albums include "Meet Marvelous Marilyn Maye", "The Second of Maye", "The Lamp is Low", "Taste of Sherry", "Step to the Rear" and "The Happiest Sound in Town".

At Lofy's Pavilion Room,

Name sled dogs
Canadian Eskimos customarily name their sled dogs after deceased members of the family.

the Johnny Trudell band backs the acts and plays for dancing in the Pavilion Room before, during and after each show. Showtimes are 9:30 and 11:30 nightly.

BELLEVILLE CHURCH IS EXPANDING — Members of the Borean Baptist Church, located at 6889 Belleville Rd. announced the removal of a portion of their church structure for the construction of a new sanctuary. It will be a 50 by 91 foot addition to present church facilities. When completed the floor

Baptist Church begins groundwork for building

The Borean Baptist Church, 6889 Belleville Rd., has announced the building of a new sanctuary to the present church structure. Pastor Rev. H. Franklin Miller says that the new sanctuary will be a one-story addition and have a seating capacity for 420 parishioners. It will be a 50 by 91-foot addition to the north side of the present church facilities. It will have a balcony and baptistry. There will be two

ells, one will be the pastor's study and the other will be for library, Sunday School office and for storage supplies. The exterior of the new sanctuary will be Friendship Split Rock to match the two-story educational building which was built a few years ago. The anticipated construction cost is reported to be about \$119,000. Sealed bids from contractors will be opened on March 29 and groundbreaking ceremonies are scheduled for April 4. The architect and engineer is Morris Webster.

Consultant on abuse assigned drug program

Walter J. Schumacher has been appointed by the Intermediate Board of Education to provide additional DARTE Project (Drug Abuse Reduction Through Education) consultant services to Wayne County's 37 local school districts. The DARTE Program trains teams of educators and youth from Wayne County's local school districts in an effort to reduce drug abuse among youth. Drug Abuse Education Consultant, Schumacher will serve the local school districts in the following manner: Plan and implement workshops where educator-teams can assess drug education needs, develop and test curricula and materials. Locate and use appropriate instructional materials for local drug abuse reduction educational programs. Assist school personnel after training sessions in the implementation of new practices and materials. Training of school personnel (counselors, teachers, and administrators) is assisting drug users to find help and provide support for the "reforming addict." Prior to his appointment, Schumacher served the Wayne County Intermediate School District as a Staff Development Specialist for the Differentiated Staff Project. The DARTE Program of offices are located in the Kales

Building, 16th Floor, 76 W. Adams, Detroit, Michigan 48226. Interested citizens may contact the DARTE offices by calling 962-1332.

Austin pushing election reform

Secretary of State Richard H. Austin has urged thorough reform of Michigan's election laws to encourage fuller citizen participation in the electoral process. "It is hypocritical to complain about limited citizen involvement in the democratic process unless we at the same time act to remove the barriers which so effectively exclude people from the process," Austin told a recent meeting of the Central Michigan Chapter of Sigma Delta Chi, professional journalism fraternity. Austin said he will propose a legislative program to make registration and voting simpler and open to more people. "Voting is a basic right of citizenship, and that is the way it must be treated," Austin said. "In the past, both parties have been guilty at times of tampering with voting rights for selfish advantage. "Now, at a time in our nation's history where we are urging our young and our poor to work within the system, it is more important than ever

that we stop the hypocrisy and open up the system to all," the Secretary of state said. For example, Austin said, the residency requirements are unfair and unnecessary, a 30-day rule might be needed to allow registration lists to be prepared for the election, but even this could be eliminated if Michigan would go to a

permanent and state-wide registration, he said. "The reason given for the present system of taking voters off the list if they fail to vote for two years is to preserve the so-called purity of the voter list," Austin said. "Actually, it is aimed at disenfranchising citizens who often prefer to vote only in presidential elections.

Romulus personals

Folks belonging to the "Secret Pal Prayer Partners" are reminded that the Secret Pal revealing banquet will be held at the Calvary Baptist Church, Ozga Rd., at 6:30 p.m. Friday evening, April 2. Names of each person's secret pal will be revealed at the program which is scheduled to follow the banquet.

Eugene Gribble of Aston St. remains a patient at Seaway Hospital in Trenton, Room 237, and would enjoy hearing from local friends. He was scheduled to undergo surgery on Monday of this week. Mr. Gribble has long been known as "Santa Claus" to children

of the Romulus-Belleville area, as well as to many youngsters in other communities.

Miss Frances Nicol, missionary to Mexico, requests that local folks who have Sunday School material that they are not using, please send it to her to use in her work. Contributions can be given to one of the ladies of the Missionary Group of the Romulus Calvary Baptist Church.

Romulus Township Kiwanians are reminded that International Night will be held April 28 at the "Elmwood Casino" in Windsor, Canada. Make plans now to attend.

Although it is regrettable that a student strike closed Romulus High School for two or three days the past week, local folks can gain some consolation from the fact that we are not alone in this. Fifty-three percent of the nation's big city high schools were disrupted by strikes, picketing or protest marches in a recent period, according to a report by the National Association of Secondary School Principals.

Farmers' Week is being held March 22-26 (this week) on the campus of Michigan State University, East Lansing, in case any local folks are interested in attending.

Mr. and Mrs. Grant VanAernum of Romulus Ave. and Mr. and Mrs. Bill Krueger and two sons of Romaine St. were Sunday visitors at the home of Mrs. VanAernum's niece and husband, the Maurice Tabernies, at Leslie, Michigan. They helped celebrate the birthday of Mrs. Harry Jones of Leslie, who is a sister of Mrs. VanAernum.

A combined Lenten Breakfast and worship service was held Sunday at the United Methodist Church on Olive St.

Mr. and Mrs. Steve Enzer of Ypsilanti were Friday visitors at the home of their aunt, Miss Pearl Morris, and sisters, Mrs. Mary Lou Fox and Miss Marie Diepenhorst, on S. Huron River Dr.

The 4-H Citizenship Short Course meetings got off to a bad start when the first meeting of March 16 was cancelled due to the fact cars could not enter the fairgrounds because of too much rain. The March 30 gathering has also been canceled. Those who registered for the course will be notified by mail as to the dates of future meetings.

Quirk meet set

Parents of students attending the Quirk Elementary School will hold a meeting at 7:30 p.m. Thursday, April 1 at the school, located at 46270 Ayres Rd., to discuss school affairs. Teachers have been invited to attend. The parents have not formed a parent-teachers organization and have indicated they do not want to form one. They hope that the scheduled meeting will be the start of an open forum for communication between parents and the teachers. The parents believe they can accomplish more by maintaining an informal organization to discuss school affairs among themselves and with teachers. Mrs. K.F. Santure, a parent, said the meeting is designed primarily to establish the best communication possible between parent and teachers.

Why more people finance their homes at NBD than at any other bank.

This year, as in the past, more Detroit area people will come to see NBD about a home mortgage than will go to any other bank. We think their reasons will tell you a lot about our ways of putting families into the homes they want. It isn't just the fact that we have more than 100 offices, although it's certainly convenient to do business right in your own neighborhood. And it isn't because we have more money to lend, although the fact that we're Michigan's largest bank let us keep right on making mortgages while certain other lenders were backing away from the business. The real reason is that the NBD mortgage lending officer you talk with will put himself in your position. He has as much regard as you have for saving money through a single, low "flat fee" for closing as opposed to a percentage of the amount of the mortgage. He knows you won't want to incur a stiff penalty if you should someday need to prepay. He can help you weigh the pros and cons of low monthly payments versus the rate at which you build your equity. At your nearby NBD office, you'll find a mortgage expert who'll be happy to sit down with you and talk over your needs. And you can pick up a copy of our new booklet, "Buying and Financing Your Home" — 20 pages of facts and figures that every home buyer can use to advantage. Pay us a visit; we're here to help. The bank to see is NBD. National Bank of Detroit.

AN OPEN LETTER TO THE CITIZENS AND THE PARENTS IN THE HURON SCHOOL DISTRICT

Dear Friends:

As a member of the Huron School District Board of Education for almost four years and a resident of Huron Township for twenty-five years, I have watched with dismay the uproar and chaos created by a few people hostile to our schools and community

For two years now charges and counter charges have been directed at our school board and at our schools. These people who are screaming have never contributed a thing to help their community nor their schools.

They have spent hours distributing hand bills door to door that are scandalous and libelous. These were placed at your door because newspapers refused to print such misinformation.

The last hand bill is several months old and contains a list of charges against the Superintendent and the school board that was totally disproved by the State Department of Education when it was presented to them.

The hand bill on the "birth control" was their confession that they were responsible for denying the adult female citizens of Huron the opportunity to have free physical examinations, blood tests, urinalysis, pap smears for cancer detection, and counseling about family planning!

They are most inconsiderate of community needs.

The first hand bill used copyrighted material out of context and incomplete from an article discouraging drug use in young people.

Are they saying today's youth do not need to know about the consequences of drugs? Or are their children immune?

Legal action not only could be taken, but should be taken against these destroyers of our American way of life. The only legal action presently is by them, a nuisance suit against the school district asking for a restraining action which their own lawyer continually postpones, and taxpayer's money, yours and mine, has to be used to defend.

They say they want a better school system yet they constantly force the use of money unnecessarily and tear down programs designed to help kids!

They want the Superintendent fired. Why? Their reasons have all been falsehoods. What is the real reason? Doesn't he know how to their demands? Schools are run for children, not a few irrational parents that insist "Love Story" is a dirty, pornographic book.

The four letter word in the title is "LOVE" and evidently not in their vocabulary.

As a board member I have had many complaints about this literature that was brought to our doors, many times by young children of the people responsible for it. These parents who complained felt they did not want children to read it, and certainly would never let a child deliver it!

The three board members being recalled have always been inactive in school affairs. They have never worked to help their school nor their community. Two of them do not have a child in school.

The other one couldn't even vote in the last school election because he wasn't registered.

Since they have been members of the board it is interesting to look through the minutes and see how many helpful and important issues they have voted against.

As a school board member, I have worked to anticipate the needs of the community. Huron Township is on the brink of new development. Your schools are ready to meet the challenge thanks to our able administration and a majority of board members who have worked diligently to prepare for this.

We have not always agreed with each other nor with the Superintendent, nor he with us, but our discussions have not been held on main street in New Boston.

You have an opportunity now to continue the progress in your schools. Only 817 people voted out of more than 3,000 registered voters in the last school election.

Were you one of them? The election is March 29. The polls are open from 7:00 a.m. to 8:00 p.m.

Make your YES vote count.

Sincerely,

L. C. LARABELL, JR.

Vice President, Huron Board of Education

PAID BY L. C. LARABELL JR.

New concept to be shown

The Romulus Area PTA Council will meet at 7:30 p.m. at the Beverly Elementary School, 35408 Beverly Rd., on Tuesday, March 30.

Mrs. Fran Petre, president, announced that a new educational concept will be demonstrated by the Willow Way players who will show tapes of a puppet show geared to elementary audiences, designed to inform them about social problems.

An election of officers will be held and reports will be given regarding a proposed city-wide drug education program, which has recently received support from city and school administrators.

Mrs. Petre said time would be allowed for a discussion of recent unrest at the Romulus Senior High School.

Homeowners elect new officers

The Romulus Homeowners Association has elected new officers.

William M. Quiney, 7042 Lorenz, was elected president; John VanStipdonk, 9463 Barry Dr., vice president; Mrs. Eleanor Ratcliff, Secretary, and John Madish treasurer.

The new Board of Directors consists of Norm Kent, Jack Bath, Jan Ratcliff, Fred Williams, Charles Dick and Mr. Lucille Ferguson.

The association will hold an open meeting April 1 on the proposed school bond issue for the Romulus Community Schools.

Time and place of this meeting will be announced at a later date.

Church clean-up slated

Local parishioners and friends of the United Methodist Church, 11190 Olive St., Romulus, are invited to join in a clean-up of the sanctuary and church classrooms on Saturday, beginning at 9 a.m.

Bring a bucket, a cloth or sponge, a ladder if possible and a sandwich for lunch.

Haggerty

PTO hears

Dr. Navarre

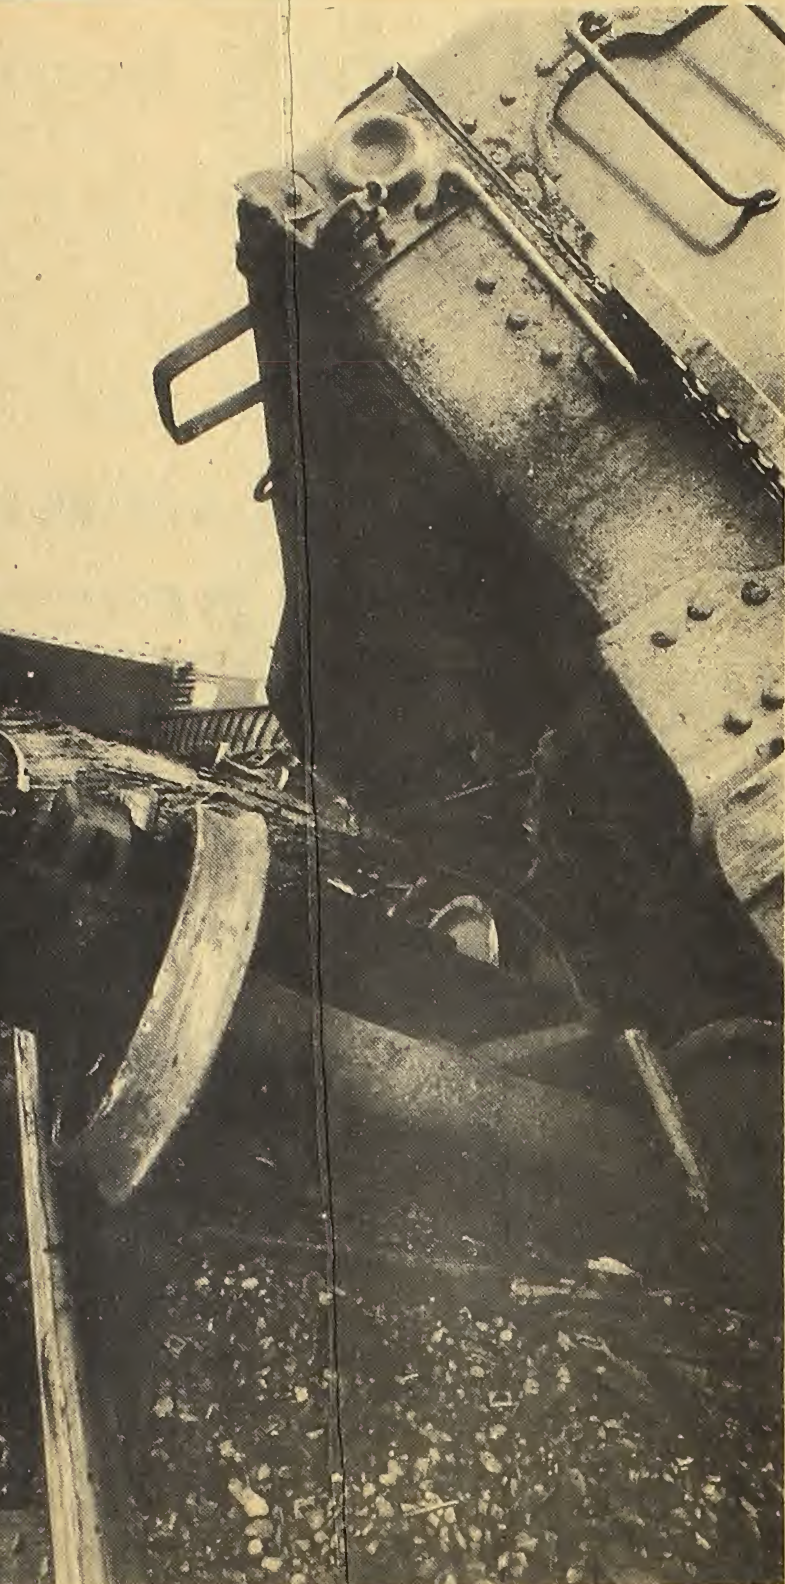

An address entitled "Emotional Needs of Children" by Dr. Gary Navarre of the Eastern Michigan University's Special Education Department, was the program highlight at last Thursday's meeting of the Haggerty Road Elementary School's Parent-Teacher Organization (PTO).

PTO Chairman Mrs. Cathy Morris led a short business session following the program. An adult committee was formed to examine the books at the end of the year and a discussion was held on a spring dance recital and some funds were earmarked for school equipment.

The first grade class won the award for the most parents at the meeting. The next meeting of the school's PTO is scheduled for April 22.

POTTERY MAKING PROJECT — Fifth grade students at the Elwell Elementary School have been learning how to make pottery. The students participating in the class project are (from left) Haze Blackburn, Chuck Viers, Sondra Joye, Donna Poe,

DAMAGE CLOSE-UP — A derailment of a Penn Central freight train two miles west of Flat Rock in Huron Township at 4:30 Monday caused a considerable amount of damage. Twenty-two cars of a 94-car freight train were derailed. At the W. Huron River Dr.

crossing. The cars were loaded with reclaimed steel, sand and car parts. A close up of damage to one of the freight cars is displayed. Railroad officials are investigating the derailment. They report that it will take two days to clear the tracks.

Veterans training for enforcement jobs

Michigan had 275 veterans taking policemen and firemen on-the-job (OJT) training under the G. I. Bill in January. Robert M. Fitzgerald, director of the Veterans Administration Regional Office, Detroit, said 181 veterans were preparing for careers as policemen, while 94 others were training to become firemen.

Nationally, 8,300 veterans were engaged in OJT for careers in these fields—6,200 as policemen and 2,100 as firemen. This was a 50 per cent increase over the 5,500 veterans in training a year earlier.

Fitzgerald explained that before a veteran can participate in policeman-firemen OJT, the courses—which last from six months to two years—must first be approved by his state-approving agency.

During the veteran's training period, VA supplements earnings from his police or fire department, and requires that at the start of the program he be paid at least 50 percent of the salary of the job for which he is training.

By the veteran's last month of training, he must be paid a minimum of 85 percent of the salary he would receive as a regular employee.

VA pays veterans with no

dependents \$108 per month (more with dependents) during the first six months of training; \$81 the second six months; \$54 the third six months; and \$27 the last six months.

Basic hiring requirements for policemen-firemen

trainees generally include a personal interview, character investigation, and a driver's license.

Fitzgerald urged veterans interested in taking on-the-job training for policemen and firemen to contact their local police or fire departments.

Indian dances impress scouts

It takes a pretty outstanding performance to impress modern youngsters who have been raised on multi-media entertainment with million dollar budgets for promotion, costumes and effects.

But the Cub Scouts of Pack 830, of the Hayti Elementary School area, were more than impressed last Tuesday night when ten boys from the "Order of the Arrow", Huron District, Boy Scouts, performed Indian dances in costume.

Exclamations ranged from "Wow" to "Oh my, cool!" while the cubs perched on the edges of their chairs in rapt attention, each vowing to himself that one day he would become an Honor Scout and be a performer with the "Order of the Arrow."

The dancers were members of four troops from the Huron district: Ed Murphy and Doug Ronan, troop 803; Tony Drzewiekie and Bill Dennen, troop 1164; Gerald Dunninger, Mike Hoffman, Rodney Walker, Steve Gardiner and Gene Shelton - troop 825; and Roger Fraites, troop 1174.

The leaders who accompanied the boys were Max Nelson, Paul and John Dennen. Hayti Cubs most enjoyed the Turkey Shoot dance, where the usual procedure of the hunt was reversed ending with the turkey doing the stalking.

The dancers are happy to perform for groups without charge. Contact Max Nelson at 941-0428.

Awards were presented to the following Cub Scouts: A Bob Cat award went to Jerry Nadler. David Long earned his Bear badge and Mike Buggy was honored in a Webelos ceremony. Webelos Artist award was won by Tony Suessine and Jon McEachern. Scott McKay earned his Showman's badge and Rick Zavitz was presented his Craftsman and Citizen awards.

Jack Rarick, John Grey, Mike Losacco and Virginia Grey all earned one year service stars. Carole Rarick and Gordon Zavitz were awarded two year stars, Nolene Suessine, DonnaLee Zavitz and Rick Zavitz all were awarded three year service stars.

Mr. and Mrs. Gordon Zavitz were given the appreciation of the pack for their contribution to scouting. Plans for a sailboat race were discussed.

Along about the time Columbus was exploring the New World, there were about 13-million people living in North and South America.

Mahalak introduces Vietnam bonus bill

State Rep. Edward E. Mahalak (D-Romulus) has introduced legislation to provide bonuses of as much as \$500 for Vietnam veterans or their survivors.

Mahalak is chairman of the House Committee on Military and Veterans' Affairs. His bill would permit a bonus of \$15 a month for overseas duty and \$10 a month for stateside service, to a maximum of \$500.

Under the Mahalak proposal, voters would be asked to approve a \$100 million bond issue to pay for the bonuses. Mahalak estimates that under the present cost conditions, the bonuses would cost a total of approximately \$95.8 million.

"This bond issue," Mahalak said, "would mean that the money would not have to be taken from the state's already financially-distressed general fund. It is, in my view, the best way to finance the bonuses."

He said he felt certain that voters would approve the bond issue. According to Mahalak, there have been 189,000 Vietnam era veterans from Michigan discharged as of June 30, 1970. Vietnam era includes all veterans with service after Aug. 4, 1964.

In addition, Michigan veterans trust fund record show that 2,249 Michigan servicemen have been killed in the Far East since 1963. "Michigan has provided

veterans of other wars with bonuses," Mahalak said. "I feel it is only right that we should extend this benefit to Vietnam veterans. It is the least we can do to show our respect and appreciation for our Michigan men and women who have served and sacrificed in Vietnam."

The bonuses would be limited to those servicemen and women who are eligible for the Vietnam service medal or the armed forces expeditionary medal-Vietnam area.

The veteran must either have been born in and lived in Michigan before entering the service; born here and lived elsewhere without abandoning his residence in Michigan; or

born elsewhere, but had been a resident of Michigan for at least six months before entering the service.

Applications for the bonuses would be made by the veteran or his survivors to the state adjutant general.

The bond issue question would be placed before voters at the next general election. If approved, the bonuses would be available to veterans as soon as the bond money is available.

Mahalak said he feels that while other Vietnam bonus proposals have not won legislative approval his bill will have a better chance this session because it provides for a means of financing which would not put a strain on the general fund.

Social security increases mean \$45 million in county

Legislation to increase Social Security benefits which was passed by Congress and signed into law this week will mean nearly \$45 million in additional annual benefits for an estimated 330,000 recipients in Wayne County.

This estimate was made by Congressman William D. Ford (D-15th District), one of the sponsors of the legislation, which provides for an across-the-board increase of 10 per cent, retroactive to January 1.

Congressman Ford said that the figures are estimates, based on the most recent available Social Security payment figures for the county. The approximately 330,000 recipients now receive about \$36.8 million a month, or \$441.6 million annually.

Recipients in Wayne County include about 165,000 retired workers, 19,000 disabled workers, 40,000 dependents of retired workers, 12,000 dependents of disabled workers, 90,000 survivors, and about 7,000 special recipients. Their payments now average about \$110 per month or \$1,320 annually. The increase will boost the averages to \$121 a month and \$1,452 a year.

To finance the increases, payroll taxes will be hiked next year by levying Social Security taxes on the first \$9,000 of income, rather than the current \$7,800. This will mean a maximum increase of \$62.40 each for the employer and employee, beginning in 1972.

Congressman Ford's proposed legislation also would have increased the minimum monthly payments to \$100 for an individual and \$150 for a couple. The bill as passed will hike the minimums to \$70.40 and \$105.60, respectively.

Congressman Ford's bill had also proposed increasing to \$2,400 a year the amount of outside income a beneficiary could earn without losing his benefits. This was not included in the final version of the legislation as passed.

Congressman Ford said, however, that he would continue to work for such a liberalization, and also to

increase the minimum payment schedules.

The bill as passed did represent a far more liberal approach than that asked by the Administration, Congressman Ford said. President Nixon had asked for an increase of only six per

cent, and a tax increase effective this year.

Congressman Ford said that beneficiaries can expect the increases to be reflected in their June checks. Separate checks to cover the retroactive increases will be mailed by May.

"Our nation's senior citizens, who live on fixed incomes, have suffered more than any other group from the burden of inflation," Congressman Ford said. "This increase will help them to live in the dignity to which they are entitled."

DISPLAY SCIENCE PROJECTS — Students at the Denton Elementary School display their science projects that were entered in the recent all-school Science Fair sponsored by the Van Buren Education

Association. The students are (back row, from left) Cherie Christ, Gina Minyard, Bill Minyard, Mark Cole, and Lloyd Lane; (front from left) Douglas Morris, Alesia Hermosillo, Denise Jorgenson and Jeff Kinsella.

4-Hers discuss plans

Discussions on upcoming events, reports on assignments and awards were featured at the recent meeting of the Pegasus 4-H Club of Romulus.

Achievement Day, Dress Review, horse ride meets, dog obedience and sheep lessons were the items discussed and plans were made by the teen leaders to be in charge of the following:

Pam Katona is in charge of the dress making lessons, Sheryl Swinton in charge of dog lessons and Brian Beaty and Tim Katona in charge of

the horse ride meets. The next meeting of the club will be held at the home of Connie Mason on Riggs Rd. on April 6.

Club members attending and receiving awards at the recent Wayne County 4-H Awards Banquet held at the Progressive Club in Romulus were:

Denise Pawloski for Foods-Nutrition and also in Food Preservation, Pam Katona for Foods-Nutrition, Brian Beaty for sheep, Sheryl Swinton for

sheep and goats and Tim Katona for horses.

The March business meeting was presided over by President Tim Katona. The minutes were read by Secretary Pam Katona and the Treasurer's report was read by Denise Pawloski.

At the conclusion of the meeting, Sandra Lavain, in whose home the meeting was held, gave a short talk about her English terrier and then gave a demonstration showing what she and her dog had learned in the dog training session this year.

GUESTS AT THE SCIENCE FAIR —The first school-wide Science Fair held in the Van Buren Public School District attracted some 1,000 visitors and displayed many exhibits. The three-day exhibition was held at the local

Masonic Temple, 515 Main St. The event was sponsored by the Van Buren Education Association. Some of the guests that visit the Science Fair view the displays.

2-In Memoriam

OUR SON Jerry is missed so by us & his friends, Watkins Family, 34966 Richard St. Wayne.

IN LOVING MEMORY of Our precious Daddy, Henry Black Sr., who passed away 1 year ago March 24, 1971. One sad and lonely year has passed since that great sorrow fell. The shock received that day no one can ever tell. God gave us the courage to meet it. But what it meant to lose you Daddy, no one will ever know. It's lonely here without you, we miss you more each day. Life is not the same with us, since you were called away. You bade no one a last good bye and only God knows why. But, those who have a father, please treasure him with care. Because you never know, the heartaches will you see his empty chair. Sadly missed by children & grandchildren. We'll love you forever.

IN LOVING MEMORY of my dear husband, Henry Black Sr., who passed away 1 year ago today, March 24, 1971. Cherished memories held you close, tears and heartaches never heal. Treasure the Lord in the Garden of Rest. While on earth he was the best. Your loving lonely wife, Rose.

WE SELL RESIDENTIAL, COMMERCIAL, INDUSTRIAL AND ACREAGE.

WINNERS OF FIVE RIBBONS — Elwell Elementary School students won five ribbons in the recent Belleville High School Science Fair which was open to all the school district's schools. The students and their winning projects in the elementary division are (from left) Steven Prouty, first place with

his dissection of a frog; Mardette Ammon, second place with her chart of the skeletal system; Teresa Whitley, second place with her Saturn V and Apollo spacecraft; Debra Burt, second place with her display of the solar system; and Blair Temple, second place for his display of ceramic slides.

Elwell students win prizes

Projects entered in the recent Belleville High School Science Fair by students attending the Elwell Elementary School won five ribbons, it was announced Monday by School Principal William Chizmar.

The science fair was conducted at the local Masonic Temple 515 Main St. The winners are:

Steven Prouty, son of Dr. and Mrs. Dayton Prouty, 435

Sumpter Rd., who took first place ribbon with his display of the dissection of a frog.

Mardette Ammon, daughter of Mr. and Mrs. Walter Ammon, 19785 Wilmet, who took a second place ribbon with her chart of the skeletal system.

Teresa Whitley, daughter of Mr. and Mrs. Ray Whitley, 600 Sumpter Rd., winner of another second place ribbon with her display of the Saturn V and Apollo spacecraft.

Blair Temple, son of Mr. and Mrs. Stewart Temple, 45120 Harris Rd., won a second place ribbon with his display of ceramic slides and Debra Burt, daughter of Mr. and Mrs. Vernon Burt took a second place with her display of the Solar System.

Taylor mental center site is selected

State Representative Edward E. Mahalak (D) Romulus reports that the city of Taylor has been selected as the site for a 500-bed regional mental retardation center.

E. Gordon Yudashkin, M.D., director, Michigan Department of Mental Health said the new facility, one of several being considered by the department and the legislature, would provide community-oriented services for mentally retarded children and adults in the area.

Its capacity and its services are being designed to meet the needs of the approximately half a million people residing within the surrounding area.

The location of the new facility is part of the state's policy of building small regional retardation centers instead of large institutions; of relocating and redistributing services to bring them nearer to the people who are to be served.

Mahalak further reports that the basic plan of the smaller centers is to provide as home-like a setting as

possible where youngsters and adults may be helped to more nearly achieve their potential in as short a time as possible.

The architects and engineers are instructed to design the retardation centers in accord with this concept. The center will be a structure in which services can be carried out in an atmosphere of warmth, dignity and respect.

Long-term and short-term services will be available. Temporary service will be provided to relieve critical family situations on an interim basis and assist families in times of emergency.

The regional center will augment and not duplicate community services for the retarded. Its programs will be coordinated with others available within the region to develop a full range of comprehensive services for the retarded.

Mahalak finally reported that a high percentage of the mentally retarded who need special residential programs at a given time of their lives, are capable of being integrated into community life when appropriate services are available to them.

Location changed

Due to a change of meeting places for the drug information program sponsored by the Merriman Elementary School PTA, babysitting will not be available, announced Mrs. Carol Bales, PTA president.

The meeting, originally scheduled to be held at the Merriman Elementary school,

will instead be held at 7:30 p.m. at the Progressive City Hall, 11580 Ozga Rd. Romulus, on March 31.

All residents interested in learning about the dangers of drug abuses are urged to attend to hear an outstanding panel of professionals discuss the problems.

Honor roll announced

The Honor Roll for the second semester of the current school year at Huron Junior High School was announced Monday.

Among the students listed on the Honor Roll, eight were all "A" students. Named to the Honor Roll were:

Seventh Grade
Wayne Alderman, Cindy Baltz, Kevin Berkebile, Randy Berry, James Bock, Linda Cook, Doug Dalton, and Dave Diks.

Eighth Grade
Steve Bailey, Diane Barlow, Scott Berry, Bob Bock, Brad Booth, Sharon Bosman, Carrie Clark, Dawn Elliott, Cindy Ernest, Brenda Frazier, and Kim Harrah.

Township meeting set

The annual township board meeting of Sumpter Township will be held at 2 p.m. Saturday, April 3.

The annual session will be conducted in the township Hall, 23483 Sumpter Rd.

Visit to Aruba incentive reward

Al and Vina Boatright, of 34085 McBride St., Romulus, returned last Wednesday (March 18) from a five-day stay in Aruba, an island in the Caribbean Sea.

Their trip, part of an incentive program of the Xerox Company, was a reward for outstanding performance of

Permit issued

A building permit authorizing a \$50,000 remodeling program at the L.C. Sprague Building located at the corner of the Poplar Airport has been approved by the Romulus Building Department.

The building permit calls for the conversion of existing hotel rooms on the third floor of the terminal into an air traffic control room and computer facility.

The Schiller Construction Company, Inc., of Detroit was issued the building permit.

Romulus seeking bids

The City of Romulus is seeking sealed bids: two half-ton pick up trucks for the Department of Public Works, City Clerk Leonard J. Folmar announced.

The bids must be submitted to the clerk's office by 5 p.m. April 27. Bid inquiries should be directed to William A. Pritula, director of the department of public works, at 36515 Bibbins St.

Twenty-three are graduates

Twenty-three students, residents of Belleville, Romulus and New Boston, were awarded degrees from the Eastern Michigan University at the conclusion of the fall semester.

The students who were granted degrees are:

From Belleville were: Miss Anne Billings, 10825 Rawsonville Rd. Bachelor of Science degree; Miss Carol Fink, 47001 Waters Edge Lane, Bachelor Science degree; Miss Phyllis Gray, 42435 E. Huron River Dr. Master of Arts degree; Robert Harrison, 473 Rawsonville Rd. Bachelor of Science degree; John Manners, 50509 Motte Rd. Bachelor of Science degree; Frank Perri, 226 Creekside Lane, Bachelor of Science degree; Hauke Sahraker, 45455 Harmony Lane, Master of Arts degree; Sharon Veling, 45401 Harmony Lane, Bachelor of Science degree; and John Wood, 3546 Canton Center Rd. Bachelor of Science degree.

From New Boston, David Court, 17285 Hannon Rd. Specialist in Education; Chris Miller, 26554 Bismark, Bachelor of Science degree;

his job as trouble shooter for the Southfield branch.

The couple were lodged at the Aruba Sheraton, one of the newest hotels on the island. They found the weather there quite a contrast to that Michigan is experiencing.

Temperatures ranged between 85 degrees during the day to 72 at night. Winds were the only objectionable feature of the tropical climate, according to the Boatrights.

Even though they enjoyed the revitalizing experience of being feted and entertained, they found their thoughts returning regularly to their three children: Rick, 10; Kathy, 7; and Rex, 4-years-old, who were at their home being cared for by the elder Boatrights.

One of the things that most impressed Al and Vina was the friendliness of the natives, who in addition to being most helpful, would pause in their work to smile and wave to make the visitors feel welcome.

Looking out his window at the snow falling, Boatright commented, "It's a little hard to believe we were there until I look down at the sunburn on my arms that is just beginning to peel."

Science fair at Beverly

Preparations are under way for the first annual student Science Fair at Beverly Elementary School in Romulus.

Pupils are busily working on projects to enter in competition for first, second and third place awards.

The fair will be open to the general public at the school on April 7 and 8.

Jeffrey Parent, 20707 Waltz Rd. Bachelor of Arts degree; and Ronald Swantek, 19049 Hannon Rd. Bachelor of Science degree.

From Romulus were: Miss Mary Armbruster, 27455 Goddard Rd. Bachelor of Science degree; Michale Gresock, 34984 Michele Dr. Bachelor of Science degree; Donald Herrmann, 38136 Westvale, Bachelor of Science degree; Miss Patricia Michevicus, 35567 Garner, Bachelor of Arts degree; Miss Beverly Scott, 13900 Hannan Rd. Master of Arts degree; Charles Sharitt, 20023 Cornell, Bachelor of Science degree; Miss Yvonne Temple, 27768 Pennsylvania Rd. Bachelor of Science degree; and Gerald Tuomi, 16404 Brandt St. Master of Science degree.

Sessions started

Annual budget sessions were started Monday by the City of Romulus for the fiscal year beginning July 1.

Mayor Hyle J. Carmichael hopes to present to City Council departmental requests by April 1.

Your loan starts here!

388-0300

And it ends, very conveniently, at the branch office nearest your home, thanks to "Phone-A-Loan".
"Phone-A-Loan", is one of the many services we've created, in an effort to make banking with us, as simple and convenient as possible.

Next time you need money for a new automobile, recreational vehicle, home repairs, or a personal loan, simply dial 388-0300 and ask for "Phone-A-Loan".

Tell our people that you would like a "Phone-A-Loan" and

before you know it, your application will be approved. Soon, possibly the same day, we'll call to tell you where you can pick up your check. Because we have twenty-two offices, chances are, you'll be just minutes away from one of our branches.

Why spend a lot of needless time running back and forth when you need a loan? Thanks to "Phone-A-Loan", you can have the money you need, for the things you want. Simply dial 388-0300 and ask for "Phone-A-Loan".

When it comes to banking, Security is all you need!

All-Area has formidable look

By TOM MOORADIAN
Eagle Sports Editor

Hey coach, how about a wrestling team that has piled up a 331-65-5 won-lost-tied record for the season?

That's what the 12-member Daily Eagle 1971 All-Area high school wrestling first team has accomplished during the recently concluded campaign. All 12 members of the mythical team also have earned their share in league, district, regional and state awards.

Leading the selections is Laymon McLilley, Glenn's 138-pound senior who

climaxed his prep career with a 32-3-0 over-all record which included the Northwest Suburban Conference, district and regional titles.

Laymon also became the first wrestler in the history of John Glenn to place in the Class A finals, finishing with a third place medal.

A "B" student who is popular in Rocketland, McLilley also has several scholarship offers awaiting him after completion of school.

"He's probably the best wrestler I have ever had over at Glenn," said Coach Bob Lusk.

Enterprise-Roman Sports

Second Section
Wednesday, March 24, 1971 Page 17

Others named to the honor roll by area coaches are: Dave Webley (98), Bruce Geier (105), Jim Tinsley (112), Gary Webb (119), Jim Fugabon (126), Charlie Young (132), McLilley (138), Gary Krajewski (145), Randy

Claborn (155), John Arrington (167), Jim Cook (185) and Keith Simons (heavyweight).

Webley, a sophomore who cracked the All-Area barrier with a 31-10 record, has an impressive list of triumphs including the district and the Tri-River Conference titles that he won as a 98-pounder. He also was first at the Catholic Central, Schoolcraft, Redford Union Invitational as well as the Garden City East tournament and the West quad.

Geier is a familiar name to All-Area teams, having been placed on them for three

consecutive years. He has compiled a 34-1 record of which 27 of those were via pins. He also won all of his dual meets (14-0) on pins this season.

Over a span of three years, Bruce has compiled 79 victories and lost 11 while tying one. His dual meet record is a phenomenal 33-2-1 and he has been crowned league champ three consecutive years, duplicating the feat in the district while winning his last two regional appearances. In the state finals for the past three years, he placed fourth in 1969.

An honor student, Geier was selected for Boy's State in 1970 and has received a school award for Outstanding Service due to his wrestling and scholastic records.

Tinsley, Wayne's dynamic 112-pounder, kept the Zebras ranked in the top six in the Class A poll most of the year. After winning 30 and losing three, the 17-year-old senior was sidelined because of illness and didn't reach the district competition.

However, he did collect medals for winning the Garden City East, the Grand Blanc, North Farmington and Schoolcraft Invitational.

Webb, a junior who also is an outstanding student, placed second in the district as a 119-pounder and third at the Schoolcraft Invitational and climaxed the year with a gold medal at the Mid-Wayne Conference meet.

One of the Panthers' co-captains, "he's a wrestler who always gives you 100 percent," says Coach Carl Stevens. Gary had a 18-6-2 over-all record.

Carrying on the family tradition in wrestling is Jim Fugabon whose brother Steve also held down a coveted berth on the All-Area team while he attended East.

Jim is a junior who served as the Panthers' other co-captain and he proved effective as he contributed 19 victories, lost five and tied two as a 126-pounder. Jim also won the Mid-Wayne Conference title and placed second in the district while strolling away with a third place medal from the East meet.

Young is one of the three Glenn grapplers named to the first string and his credentials include first places at the Western Wayne Quad, the Northwest Suburban Conference and the district.

Charlie, a 132-pounder, also placed third in the regionals and qualified to compete in the state finals. An outstanding all-around athlete, Young has a 25-8 record as a senior.

Belleville's formidable 145-pound junior has a score of first places in his 30-5-1 season. An All-Area grider as well, Gary won the tough

All Area

Cagers next

Don't go away, folks, there's more to come. Today's All-Area wrestling team was just the start of something good.

In the following days, sports fans will also meet the best of the basketball and swimming crop.

Spunky soph grapplers prove they're All-Area

Two spirited sophomores proved to the upper-classmen that no one class was going to dominate the Daily Eagle's All-Area second team selections.

Belleville's Jose Garcia and Garden City East's Mark Clark elbowed their way past juniors and seniors to earn for themselves and their schools coveted berths on the mythical team.

Garcia appears to be on his way to a brilliant wrestling career at Belleville where he posted 11 victories in 15 outings as a 112 pounder. He also received a gold medal at the Western Wayne Quad and the Western Wayne placed second at Edsel Ford Invitational while he was third at both the Ann Arbor Huron Novice Meet and the district.

Clark, a 98-pounder who was seasoned as a 105-pounder where he lost most of his 18-12 decisions, also has a bright future on the mats. He was runnerup at four invitational this season including the district, Mid-Wayne Novice, Mid-Wayne tournament and the Garden City West tournament.

With two years of competition ahead of them and barring injury, both Garcia and Clark will be heard from before they wind up their prep careers.

Others named to the second team are Larry Sanders (105), Don Turney (119), Jerry Carter (126), Bill Kendall (132), Tom Byrem (138), Mike Davis (145), Mike Cross (155), Bob Kruse (167), Tom Nelson (185) and Gary Lyman (heavyweight).

Sanders in one of four juniors and one of three Glenn wrestlers who made the second team cut. Winner of the gold medal in the districts, Larry has compiled a 24-5 over-all record which includes first places at the Redford Union and East Christmas Invitational. He finished runnerup in the Northwest Suburban Conference.

Turney, also a junior, had a 14-9 record as a 119-pounder and was third in the Suburban Six Conference. A member of the Belleville varsity club, Don has earned medals at the Western Wayne Quad and the Arbor Huron Invitational.

Carter is one of the brightest returnees to Coach Don Hane's lineup a Wayne. A 30-match winner, losing eight, Jerry won the 126-pound class gold medal in the final Sauk Trail Conference meeting. He also was Schoolcraft and Grand Blanc Quad champ.

Teammate Bill Kendall also emerged from the mats with a gold medal at the tough Sauk Trail Conference meet, taking first in the 132-pound class. In his 36 encounters, Kendall came away with 29 victories, losing seven while tying none.

He also claimed the Farmington Invitational title and was runnerup in both the Schoolcraft and district meets. He was the second point-getter for the Zebras.

West's Byrem was a state finalist in the 138-pound class after placing third in the regional and second in the district meets. Runnerup in the Tri-River Conference, he also earned a second at the school's quad and was fourth at the Lansing tournament. Tom finished his prep

wrestling career with a 23-20 over-all record.

Davis also climaxed an outstanding athletic career at John Glenn with an impressive wrestling record. An Honor Society member, Mike turned back 20 of his mat rivals while losing to four of them.

First in the district in the 145 pound class, Davis went on to take a silver medal at the regionals to qualify for the State Finals. He also had first at the Redford Union Invitational and the Northwest Suburban Conference meet, winning the latter two years in a row.

Romulus' lone representative to the second string is honor student Mike Cross who had a 21-9 over-all record for the campaign, competing both as a 145 and 155-pounder. The team captain and a second, Mike finished with gold medals at the Western Wayne and West Quad and was second in the districts while placing third at the regional.

He also was fourth at the Ann Arbor Invitational.

Kruse will have another year to move up from second places in both the Northwest Suburban Conference and the district where he did an outstanding job for Coach Bob Lusk's Rockets. The 11th grader compiled a 19-6 record and placed fifth at the regional.

An outstanding college prospect, Wayne's Nelson is a standout in football and wrestling, winning All-Area recognition in both sports as a senior. As a 185-pounder, Tom was runnerup in both the (Continued on Page 18)

Bob Lusk
Wrestling Coach of the Year

Lusk is named Coach of Year

By TOM MOORADIAN
Eagle Sports Editor

If the "perfect season" is the ultimate goal in coaching, then John Glenn head wrestling Coach Bob Lusk has reached the pinnacle after seven years.

Lusk's Rockets, in capturing their fourth Northwest Suburban Conference wrestling championship in seven years, finished the 1971 campaign with a perfect 5-0 record.

Glenn also chalked up a perfect 12-0-1 over-all record on the season.

These were but two of Lusk's accomplishments this year. He also guided his team to the school's first district wrestling title, finished fourth in the regional and 14 in the state.

In recognition of his outstanding efforts, The Daily Eagle is honored to name Lusk as its Coach of the Year in wrestling.

There is no "hocus-pokus" to Lusk's championship magic. He says: "The season is won or lost by a lot of hard work by our staff and the stressing of fundamentals."

The only head wrestling coach John Glenn has known since its inception as a high school seven years ago, Lusk has brought to the school four league titles in the past seven years.

This year's perfect season is the first in the history of boys' athletics at the school. (The girls' volleyball team also has had a perfect year.)

Sports Meridian

What preps
need is
a depression

By TOM MOORADIAN
Sports Editor

"What this country needs is a good 5 cent cigar."

Don't even remember who said it.

But I do remember we were in the midst of an awesome depression. (That's what we called those 'good old days' recessions-depression-and not recession as the 'now' administrations tab financial chaos.)

And that's what John Glenn, head wrestling coach Bob Lusk feels we need to revitalize our high school sports program. No, ding-a-ling, not a cigar, but a depression.

Really.

I didn't believe it when he told me so last night before taking off for Atlanta City, but he was serious so I said I would relay the message on to you folks and see what you had to say about this new "eco-athletic theory."

According to Lusk whom, by the way, we picked as our wrestling Coach of the Year, "the kids nowadays never had it so good."

"The biggest problem we have right now," says the 38-year-old strategist, "is that kids have too much, that they don't have to compete."

You know, he has something there.

But it still doesn't explain how come he and his staff continue to produce winning wrestling teams at John Glenn. In his seven-year tenure, Lusk has come up with four Northwest Suburban Conference championship teams.

His Rockets also won their first district title and were 12-0-1 on the season.

But, you know coach, for once I have to agree with you. This now generation doesn't appreciate anything - not even the Sports Meridian.

Lusk and his cross-town rival, Wayne Gorman, (Wayne Memorial) won't be around for a couple of days because they took off for the National Football Coaches Clinic which will be held for four days beginning today.

That's the No. 1 grid clinic for prep coaches, if you didn't know.

Via the North Pole, I also discovered that the first crack in the Northwest Suburban Conference wall was made recently. One of the oldsters, Birmingham Groves, citing travelling distance as its main reason, will pull out of the league after the 1971-72 school year.

Groves will carry out its commitments next year, then look for another home, leaving the Northwest to five high schools. Left to shuffle amongst themselves will be Glenn, Livonia, Franklin, Detroit Thurston, North Farmington and Royal Oak.

Copying someone else's homework, teachers say, is cheating. So when I found myself without the necessary time to do my homework last week, I "cheated" a bit and used someone else's facts and figures.

I paid for it.

Jim Foley came up with some facts and figures to prove me wrong.

Fiction: Stated last week that Romulus' 14-7 over-all record was the best the basketball record the high school has had in 25 seasons.

Fact: The 1955 Romulus team had a better over-all record than the '71 team. The guy who phoned in the correction should know, Foley was the captain of the 1955 team.

Jim didn't tell us what the record was...we'll have to dig it out of the morgue.)

All-Area

(Continued from page 17)

league and district, but failed to compete in the regional because of an ailing arm.

Nelson record on the season was 28-9.

East's Lyman also was named to All-Area teams in football as well as wrestling. This year's second string heavyweight, Lyman had to use his six years experience to the fullest-he is relatively small for a heavyweight. Nevertheless he was second at the district and the Mid-Wayne tournaments while placing fourth at the East and Schoolcraft Invitionals. He finished his career with a 16-8 over-all mark.

Michigan State's 1971 mile relay unit twice ran 3:14.8 at home for a Jenison Field House record. Members of the foursome were Al Henderson of Detroit, Mike Murphy of Midland, Mike Holt of Highland Park and Bob Cassleman of Grand Rapids.

1st team All Area

(Continued from page 17)

Suburban Six Conference title, then went on to place first in both the district and the regionals. Earlier he claimed gold medals from his efforts at the Western Wayne Invitational and the Edsel Ford Invitational.

Claborn is a holdover from last year's All-Area team. He wound up his prep mat career with a 32-7 record and was runnerup in both the final Sauk Trail Conference and the regional meets while he placed first in the district.

Randy helped Coach Don Haney's Zebras finished the season with a 11-1 over-all record.

Voted by his teammates as the Team's Most Valuable, Romulus' Arrington is a 167-pounder who also will be around next year. As a junior, John won 25 matches while losing but three. He also claimed gold medals at the GC West quad, the Western Wayne quad, the district, while he was runnerup in the regional and GC East Invitational.

On second team All-Area last year, Arrington led the Eagles with most pins (15) and most points. He was voted the team captain for the coming year, a duty he performed this season for Coach Jim Stallings' Eagles.

Versatile Jim Cook brings a 25-0 record to the All-Area team where he retains a berth he held down last year as a junior. The 185-pound senior claimed a district title while

placing fourth in the regionals. He also scored points in the state meet.

A member of the All-Area football squad as well, Jim is president of Glenn's Varsity Club.

Another reason why Belleville Coach Tom Fritz is optimistic of the future is that his heavyweight, Keith Simons, will be back in the lineup next year.

Simons lost but five of his 35 encounters on the mat and he lists first at the Bedford, Western Wayne, Edsel Ford and Ann Arbor Huron Invitionals as his accomplishments.

Keith also was runnerup at the districts and regionals.

Honeymoon in Hawaii

Judy Mills is bride of William J. Settles

In a pre-spring wedding March 6 at Trinity Episcopal Church, Belleville, Judy Lynn Mills became the bride of William Joseph Settles.

The Rev. Robert MacDonald presided at the double ring rite at seven thirty in the evening with some 250 guests in attendance.

Judy is the daughter of Mr. and Mrs. Francis G. Mills of 228 Second Street, Belleville, while her husband is the son of Mrs. Lillie I. Settles of Pentecost Highway, Tipton, Michigan and the late Harold K. Settles.

Floral pew markers, made by the bride and her cousin, Mrs. Robert Sampson, adorned the aisle as Judy walked to the altar with her father.

MR. AND MRS. WILLIAM J. SETTLES

For her wedding day, she donned an A-line gown of rose-patterned lace designed with traditional wristpoint sleeves and a high, lacetrims neckline. Back interest was created with the addition of a circular chapel train which was drawn up into a bustle for the reception.

Her fingertip illusion veil was caught to a petaled headress and she carried white daisies and carnations on a white prayerbook-hymnal which was a gift from her Godmother, Mrs. Esther Burlingame of Belleville. Dawn Bruder of Belleville was honor attendant for her best friend. Her dotted swiss frock was in pale blue with a wedding ring collar, empire waist, puffy sleeves, and full skirt. The waistband and collar were accented with ruffled lace with a daisy overlay.

Wearing similar gowns in rainbow hues were Mrs. Rod Blankenship of Roseville, sister of the bridegroom, in lavender; Kathy Gattis of Belleville in yellow; and Bonnie and Penny Mills, sisters of the bride from Ann Arbor, in pink and peach, respectively.

All five wore picture hats encircled with flowers at the crown and tied with wide satin streamers. Their colonial bouquets outlined in lace were comprised of white daisies and carnations tipped to match their dresses.

Dressed in a miniature blue version of the senior attendants' gowns was four-year old Tina Piorkowski, cousin of the bridegroom and daughter of the Steve Piorkowskis of Belleville, who was flowergirl.

Carrying out the role of ringbearer was a Jimmie Bonnett, four-year old nephew of the bridegroom and son of the James Bonnetts of Milan.

Peter Settles of Tipton served as his brother's best man. Others on the esquire side were Jim Bonnett of Milan, brother-in-law of the bridegroom; George Settles of Tipton, another brother; and Frank and Melvin Mills of Belleville, brothers of the bride.

For her daughter's wedding, Mrs. Mills chose a coatdress ensemble of pale blue lace and rayon. Mrs. Settles, the bridegroom's mother, was in a light blue outfit. Both mothers were presented with orchid corsages.

The Romulus Progressive Club was reserved for the reception which followed with some 300 persons attending.

Since returning from their 10-day honeymoon in Hawaii, the newlyweds have made their home in Tipton where the bridegroom is self-employed as a dairy farmer.

The new Mrs. Settles graduated from Belleville High School in 1969 and later attended the University of Michigan. Her husband is a 1966 graduate of Saline High School.

Babies come

in pairs for

Van Valkenburgs

The Earl A. Van Valkenburgs of Hearthside Drive, Ypsilanti, added two new granddaughters to their family tree this month the babies arriving within a week of each other.

The first arrival Lisa Marie, was born March 5 to Gordon and Mary Van Valkenburg of 1841 Emerson, Ypsilanti. Weighing 8 lbs. - 3 1/2 oz. she made her debut at Beyer Hospital.

Then on March 11 at Beyer Hospital, Earl and Mary Van Valkenburg became parents for the first time. Their daughter, named Nicole Marie, weighed in at 6 lbs. - 11 oz.

Portland, Ore. is noted for its roses.

MR. AND MRS. CRAIG LAMBERT

Junior Study Club hears millage talk

The Junior Study Club of Belleville met for its March meeting at the Riggs Road home of Mrs. John MacDermid who shared hostess duties with Mrs. Don White and Mrs. Ted Hooten.

Mrs. Hooten of the education committee introduced Dale Kaulitz, Superintendent of Van Buren Schools, who was guest speaker for the evening his topic being the proposed millage renewal.

At the business portion, presided over by Miss Sharlene Tator, a report was given by Mrs. White concerning Legislation Day which she attended March 10 in Lansing along with Miss Tator.

The General Federation of Women's Clubs Convention will be held in Detroit April 13, 14 and 15.

Following adjournment the

Cautious consumer

A recent ad agency survey showed that Mrs. Homemaker, faced with higher prices, has changed her food buying habits. She is more concerned with cost and quality than convenience and brands. In addition, she watches for sales, substitutes less expensive foods, plans menus in advance and does more food preparation herself.

hostesses used a St. Patrick's Day theme and served mint pie to the group.

MISS INMAN

Huron grad is future

Mrs. Schock

Mr. and Mrs. Charles Inman of 28450 Nieman Street, New Boston, announce the engagement of their daughter, Margaret, to Sp-4 Carl D. Leiffer, son of Mr. and Mrs. Robert Schock of Hand Street, Carleton.

Miss Inman, a 1970 graduate of Huron High School, is presently employed at Warner House, Flat Rock.

Her fiancé graduated from Airport High School in 1969 and is currently serving with the armed forces in Germany.

No date has been set for the wedding.

Lambert-Meister wed

Double ring wedding read at St. Paul's

St. Paul's Evangelical Lutheran Church was reserved February 27 for the six o'clock wedding of Pamela Meister and Craig Lambert, both of Belleville.

The double ring nuptials, read by the Rev. Paul Henning, united the daughter of Mr. and Mrs. Harlen Meister of 11551 Wilson and the son of Mr. and Mrs. Troye Lambert of 10464 Quirk Road.

Arrangements of white carnations and chrysanthemums set between tall candelabras formed the setting as Pamela approached the altar with her father.

Best man was the bridegroom's brother, Chris Lambert. The corps of ushers included another brother, Adrian Lambert; Jimmy Brown; Larry Clayton, the bridegroom's cousin; and David Meister, the bride's cousin.

At the reception which followed at the P.N.A. Lodge, the bride's mother greeted guests in a Willow green formal gown while Mrs. Lambert received in a long pink gown. Both mothers were

presented with orchid corsages.

The newlyweds honeymooned for four days at Niagara Falls and are now making their home at 395 High Street, Belleville.

The new Mrs. Lambert is in her senior year at Belleville High School and, as a member of the Co-op program, is employed by Trilex Corporation. Her husband, a 1968 Belleville High alumnus, is self-employed as a dry wall finisher.

At St. Ursula's

Strubank-Allard vows solemnized

Double ring vows were exchanged between Kea Rae Allard, daughter of Mr. and Mrs. Kenneth E. Allard of 107 Potter Drive, Belleville, and William W. Strubank of Ypsilanti during an afternoon ceremony February 20 at St. Ursula's Catholic Church, Ypsilanti.

Father Bednarski presided at the three o'clock nuptials before some 30 assembled friends and relatives.

Kea chose for her wedding day a street-length gown of pale pink chiffon with an overlay of gray chiffon. The long-sleeved bodice was accented with a softly-draped scarf at the neckline with tiny rhinestones encircling the cuffs and waist.

Miniature rhinestones were scattered over a confection of pink and gray net which was swirled together to form the modified bill box she wore.

Completing her bridal ensemble was an arrangement of miniature pink carnations, heather and two tiny red rosebuds which was later converted to a corsage.

Mrs. William Samatovage of Westland, a close friend, served as honor attendant in a pink chiffon, street-length frock. Designed with long, full sleeves, the bodice also featured a high cowl neckline.

Her headress was a wisp of pink satin and feathers and her bouquet was comprised of miniature white carnations and baby's breath.

William J. Strubank of Ypsilanti was his father's best man. Mrs. Allard selected for her daughter's wedding a turquoise jacket-dress costume to which she added a corsage of miniature white carnations.

Cocktails and hors d'oeuvres were served at the home of the bridegroom's daughter, Mrs. Joseph Butcko of Ypsilanti, before the group went on to the dinner-reception at the Ann Arbor Town Club where reservations were held for 30 guests.

Following a week-long honeymoon at the Pontchartrain in Detroit the newlywed Strubanks took up residence at their new apartment at Cliffs on the Bay, 1727 S. Grove, Ypsilanti.

Both Mr. and Mrs. Strubank are employed by the Ford Motor Company, she as a secretary in the General Parts Division and he as security supervisor of the Saline Plant.

Prior to her wedding, Kea was feted at a surprise shower given by her co-workers at the Hillside Inn, Plymouth.

It's a boy!

Mr. and Mrs. Fouad Berry of 15783 Taft, Romulus, are pleased to announce the birth of a son, Russell David, at Wyandotte General Hospital March 1.

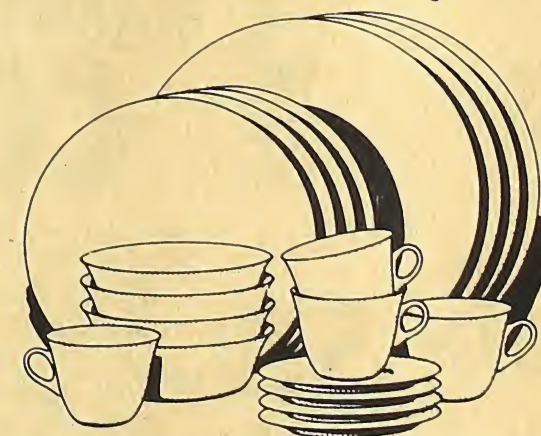

The baby, who weighed 7 lbs. - 12 oz. is the couple's third child.

EMU co-ed to marry in August

An August 14 wedding at the First United Methodist Church of Ypsilanti is being planned by Brenda Eileen Clark of Wayne and Roger Edmund Pollack of Westland.

Mr. and Mrs. J.D. Clark of 41900 North Drive, Wayne, owners of Clark Block and Supply, Inc. of Belleville, are announcing their daughter's engagement and nuptial date.

A 1969 graduate of John Glenn High School, the bride-elect is currently in her sophomore year at Eastern Michigan University.

Her fiancé, son of Mr. and Mrs. Wilbur Pollack of 34041 Standish, Westland, also graduated from John Glenn in 1969. He is presently attending Schoolcraft Community College while employed at J. D. Clark Block and Supply Company.

FINALISTS MEET—Finalists in Detroit Edison's 10th Annual "Queen of the Kitchen" contest met Monday morning in the company's Electric Living Kitchens, scene of the contest Cook-off scheduled for Wednesday. Among those who will compete for the top-of-the-line electric range, the Queen's Crown and other prizes are (left to right) Mrs. Marjorie Easto (holding the crown) of 250 Liberty in Belleville, a teacher-counselor for the blind; Mrs. Ida Greiner, 33036 Hees, Livonia, secretary-librarian for Detrex Chemical Industries, Inc.; Mrs.

Ruth Kluth of 31402 Coventry Drive, Livonia, personnel administrator for Brooks and Perkins, Inc.; and Mrs. Linda Hiltz of 1281 Palmer in Plymouth, a history teacher at Highland Park High School. Mrs. Greiner was a finalist in the 1965 and 1966 contests and Mrs. Kluth won second prize in last year's Cook-Off. The contest is sponsored by the Edison Company each year and is open to women who are employed full-time outside of their homes and who live in the company's Southeastern Michigan service area.

Sp-4 and Mrs. Basil T. Bell, Jr., Romulus residents currently living in Germany, are announcing the birth of a son, Mark William, February 17 at Wurzburg Army Hospital, Wurzburg, Germany.

The new heir tipped the scales at 8 lbs. - 5 oz.

MISS HOFFMAN

Autumn wedding planned

The engagement of their daughter, Gloria Jean, to Don Schroeder is announced by Mr. and Mrs. Charles Hoffman of 9345 Biddle, Romulus.

A 1970 graduate of Romulus High School, the bride-elect is employed at Annapolis Hospital, Wayne.

Her fiancé, son of Mr. and Mrs. Roger Schroeder of 34280 Currier, Wayne, graduated from Wayne Memorial High School in 1970 and is now working at Fisher Body, Livonia.

A fall wedding is planned.

Women's health

By LOUISE CHASE

SPRING TIPS FOR FAMILIES

With Spring coaxing us to join the robins and crocuses out-of-doors, here are some timely tips on making this lovely season a healthy one:

Tone your body slowly: If your most active sport this winter has been TV-watching or driving the kids to school, don't try to play four sets of tennis your first day on the courts. And if you've put on weight during the sedentary winter, no crash diets. This is a good time for a medical check-up, including guidance on what kinds of exercise and how much is best for you. Get diet help from your doctor, and follow his instructions.

Immunizations: If you're a gardener, it's important that your tetanus shots be up-to-date. Your children, too, should be immunized not only against tetanus, but against whooping cough, which commonly strikes in the spring and summer, and measles, diphtheria, and polio. Physicians prefer giving these immunizations in cool rather than hot weather. If shots are needed, this is the time.

First Aid: You're on a beach picnic with the family and junior cuts his foot on a jagged piece of glass. Do you know how to treat the cut? Or a sprained ankle? Or a broken leg? If not, a call to your local Red Cross will tell you when the first aid class starts. Such knowledge can insure the whole family against needless complications.

Water Safety: Have you joined the millions of American families as a boating fan? Splendid...if you realize that swimming is a must for anyone who goes boating—whether in a canoe or outboard. There is still time for swimming lessons at your local "Y" or Red Cross.

And don't learn boatsmanship by doing. Get instructions on how to handle a boat, what to do in emergencies, how to get help if you're in trouble, and the elementary rules of boating courtesy, which really means safety. The Coast Guard, the Government Printing Office in Washington, D.C., and the Red Cross, can all provide boating safety information.

Insect stings and poisonous plants: Can you recognize poison oak, poison ivy, and poison sumac? If you can't, learn how to. Your library has books with pictures of these pests. Study them. A good rule is never to touch bushes or vines you don't recognize.

Should you be exposed to any of these, the American Medical Association suggests that you wash all affected areas with warm water and soap; then sponge with a 50 to 70 percent alcohol solution. Using rubber gloves, clean your clothes in an oil solvent and soapy water. Dry them in the sun. Don't scratch. Calamine lotion or wet boric acid dressing bring some relief. If inflammation is extensive see the doctor.

For and about Suburban Women

IT'S A DATE

• Clubs • Meetings • Activities

BELLEVILLE — Boy Scout Troop No. 1071 will sponsor a spaghetti dinner Saturday, April 17, from 3 to 6 p.m. at the First United Methodist Church, Roys and Charles Sts. Tickets for adults are \$1.50 and for children under 12, 75 cents. Proceeds will be used for repairs on the Scout bus so the troop can further its summer camping.

BELLEVILLE — Galaxy Lodge No. 384, I.O.O.F., will celebrate its 84th anniversary Saturday, March 27 with a dinner at 6:30 p.m. in the Moose Hall, E. Huron River Dr. Tickets will be available at the door or may be purchased from any Lodge member. The public is invited to attend.

BELLEVILLE — Cub Scout Pack No. 754 of Quirk School will hold a rummage sale Friday and Saturday, March 26 and 27, at the Van Buren Township Fire Hall No. 1, Main and Roys Sts. Friday hours are 9 a.m. to 8 p.m. and Saturday 9 a.m. to 1 p.m. For pick-ups call Caroline Sherwood, 697-7168.

BELLEVILLE — A Card party and luncheon will be sponsored Monday, March 28, at 12 noon by the Women's Relief Corps, John M. Wahl Corps No. 87. The I.O.O.F. Hall above the Belleville Municipal Building at Five Points has been reserved for the event. Tickets, which may be purchased at the door, are \$1.25.

BELLEVILLE — A Lenten pot-luck supper will be held Thursday, March 25, at 6:30 p.m. in the Fellowship Hall of the First United Methodist Church. Rev. Fred Maitland of Ann Arbor will be guest speaker. Those attending are to bring their own table service and a dish to pass.

EDITOR'S NOTE: It's A Date is open to all local non-profit organizations free of charge. Information for the column should be submitted by phone or mail by Thursday of the week before the issue in which it is to appear. Items will be repeated until outdated.

Roesers host Farm Bureau March meet

The Friendly Neighbors Farm Bureau Group met at the home of Mr. and Mrs. Elmer Roeser, Ecorse Rd., Wednesday Evening, March 17, with 13 members present.

Topic for discussion was, "Poisons and their Effects, Sprays, Insecticides, etc."

A lunch and social hour followed the meeting.

Mrs. Laverne Sayre will be the April hostess.

U. S. tops own record

Now in the U.S. we're eating 40 more pounds of meat per person than 20 years ago and set a new record in 1970 of 185 pounds. That means the livestock and meat industry not only has been able to keep up with the population increase, but actually has produced more meat for each of us. Following the U.S. among the top per capita meat consumption countries are Canada, 156 pounds; United Kingdom, 137 pounds and France, 135 pounds.

Belleville Brevities

Mrs. McMullan feted on 75th birthday

By MRS. JOSEPH SPRING
OX 9-4021

Mrs. Henry McMullan of Lake Villa Dr. was guest of honor at a dinner held at Letheuser's in Saline on Sunday, March 14, it being her 75th birthday.

Hosts and hostesses were her sons and daughter with their wives and husbands, who presented their mother with a pink carnation corsage and tree-tied birthday cake with pink decorations.

Son Owen flew in from San Antonio, Texas, for the occasion. Others were present from Dearborn, Wayne, Ann Arbor, and Belleville.

Mrs. Mary La Boeuf of E. Huron River Dr. has been a patient at Belvil Community Hospital for the past several days.

James Sayre of Morton-Taylor Rd. was in Washington, D.C., this past week where he was attending the Farm Bureau Legislative Seminar from Monday through Thursday.

Mrs. Robert Payne and small daughter, Hannah, left last Saturday for their home near Los Angeles, California, after having spent two weeks with her parents, Mr. and Mrs. Orin McMullan, of North Shore Dr.

After having spent some time in Beyer Hospital in Ypsilanti, Mrs. Ted (Eva) Luper was able to return to her home on Karr Rd. on Tuesday, March 16.

Last week Sunday afternoon guests at the home of Mr. and Mrs. Lewis Lester of E. Huron River Dr. were the former's sister and husband, Mr. and Mrs. Fritz Eberhardt, of Peck and a brother and wife, Mr. and Mrs. Verne Lester, of Northville.

Mr. and Mrs. Frank Hoag of Liberty St. were guests of their son, Paul, and family of Ann Arbor on Sunday of last week.

Mr. and Mrs. Leon Vedder of Saline were last Sunday afternoon callers on relatives.

Who eats

most meat?

The people in the United States consume all of the beef, veal, pork and lamb the nation's livestock industry can produce. This is more than any other country in the world. But individually, we don't eat as much red meat as they do in New Zealand where per capita red meat consumption is 222 pounds, nor Argentina and Australia, at 211 pounds.

Mr. and Mrs. Sam Wilson of W. Columbia Ave., and the Russell Wilson family of Elwell Rd.

Leo Turney of Elwell Rd. underwent knee surgery at St. Joseph Hospital, Ann Arbor, this past week.

Mrs. Joseph Spring of

Liberty St. spent several days last week at the home of the Herbert Spring family at Plymouth.

Mr. and Mrs. Kenneth Hyde of E. Columbia Ave. were week-end guests of Mr. and Mrs. Robert Jones and family of Dayton, Ohio.

PLANNING WEDDING — Sp-6 and Mrs. W. R. Mielke of 5436 S. Lawrence, Tacoma, Washington are announcing the engagement of their daughter, Debbie Fay, to Sp-4 James G. Bujak, son of Mr. and Mrs. Steve Bujak of 14872 Haggerty Road, Belleville. Miss Melke graduated in 1970 from Mount Tahama High School, Tacoma Wash. Her fiancé, a 1965 graduate of Belleville High School, studied at Michigan Technological University in Houghton and prior to entering service was employed at Horst Manufacturing Belleville. He is currently serving with the U.S. Army in the personnel center at Ft. Lewis, Washington. A June 5 wedding at the Main Post Chapel, Ft. Lewis, is being planned.

Week-end specials cut food bill

The homemaker who takes advantage of weekend sales in nearby food stores and follows thrifty buying habits can cut her weekly food bill by about six percent, says an extension consumer marketing information agent with Michigan State University.

"For an average family spending about \$30 a week for food, this means saving about \$1.80 a week, or between \$90 and \$100 a year," says Mrs. Sheila Morley. "If she is really serious about saving and concentrates on always getting the lowest priced items in those same nearby stores, she could save 10 percent each week, or \$150 annually."

Figures were reached after staff shoppers from the U.S. Department of Agriculture checked prices on more than 250 food items twice a week for one year. They checked in 30 retail food stores in one city. The area chosen offered a cross section of supermarkets and smaller neighborhood stores.

According to Mrs. Morley, the meat department is the best place to start playing the "save on the specials" game.

"Meat, including poultry and fish, is the food group most frequently 'specialized,' and this is important because meat accounts for about one-third of the family's weekly food bill."

Chuck roast appears most often as a meat special, the Saginaw-based agent says. "Homemakers can save between 10 cents and 20 cents a pound by buying check on weekend sale days rather than during mid-week."

Whole frying chickens rank second as the meat item most often featured at sale prices, she adds, followed in decreasing order of frequency by ground beef, luncheon meats, salmon, tuna, chicken breasts, round steak and pork chops.

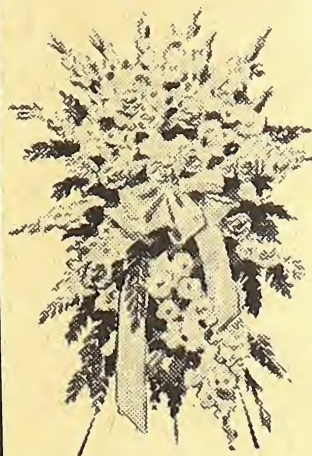

Other foods, are also sale

priced on weekends. But not all store specials are advertised, so the wise homemaker keeps her shopping list flexible to allow her to take advantage of in-store finds.

Mrs. Morley explains that food stores offer specials for

at least three reasons: 1) as a merchandising tool to compete with other stores, 2) to increase store traffic by attracting customers to the stores, and 3) to sell not only the "specialized" items, but the whole week's groceries as well.

PASS IT ON
by L.M. Boyd

More married couples split up in Houston, Texas, than just about anywhere. For a city its size, I mean. Why is a mystery. But our Love and War man notes the divorced partners evidently don't like their liberty, after all. Among those sentimental greeting cards printed up to commemorate no special day in particular, one of the best-selling in Houston reads merely: "This is no better and it's much lonelier."

It is the moon child fellow born under the sign of Cancer, says our Planet man, who is most apt to take up cookery as

a hobby... "Every time I meet a new interesting man," writes a feminine subscriber disconsolately, "either he's married or I am." Sad... The Marijuana peddlers, police say, admit they find their best markets among medical school students.

"Now take a good look at the ends of your eyelashes," said wise old Cedric Adams. "If they're getting thin at the outer ends, it denotes laziness." Wise old Cedric Adams said a lot of things like that. For instance: "Short straight eyelashes indicate nervousness." And: "If your eyelashes are gracefully curved, without much doubt you're a calm person." Wise old Cedric Adams did not reveal his sources.

Customer Service: Q. "When a young girl goes to Hollywood specifically to seek her fortune in the movies, what are the chances she'll turn out to be a full-fledged star?" A. Just one in 30,000, statistically, now... Q. "What animals I mean besides the primates, have but a single set of mammary glands?" A. Elephants. Been getting too many elephant questions lately, don't you think? I don't want to talk about them anymore... Q. "Don't more than half the businessmen still wear white shirts to the office every day?" A. Far less than half do so, the shirt-makers report.

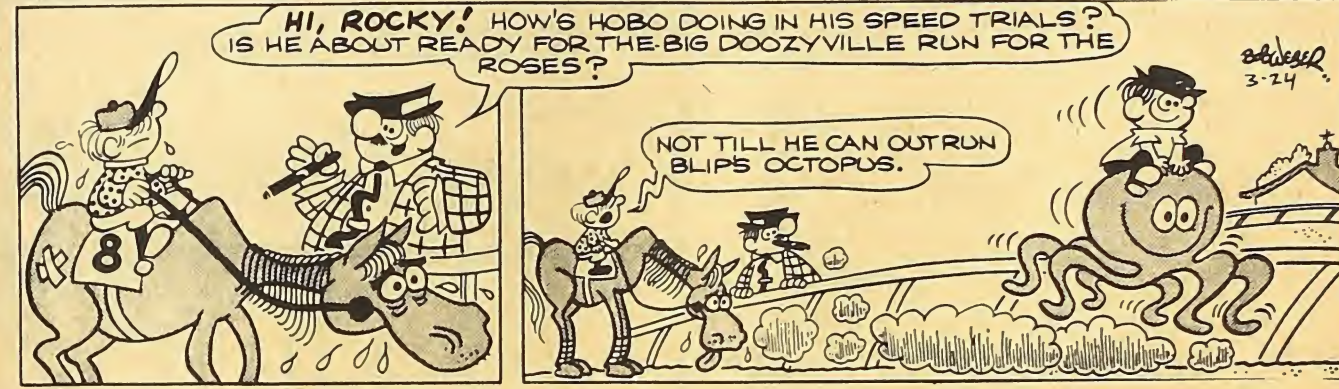

Did our language man say "shipmanship" is the only word that begins and ends with the same four letters? "I submit 'Pago Pago,'" writes a St. Louis subscriber. Accepted. But it's on borderline.

How much time do you waste on the job? Don't tell, it's none of my business. Merely want to mention one of those efficiency experts says his latest studies show the average worker kills more than an hour a day just walking around.

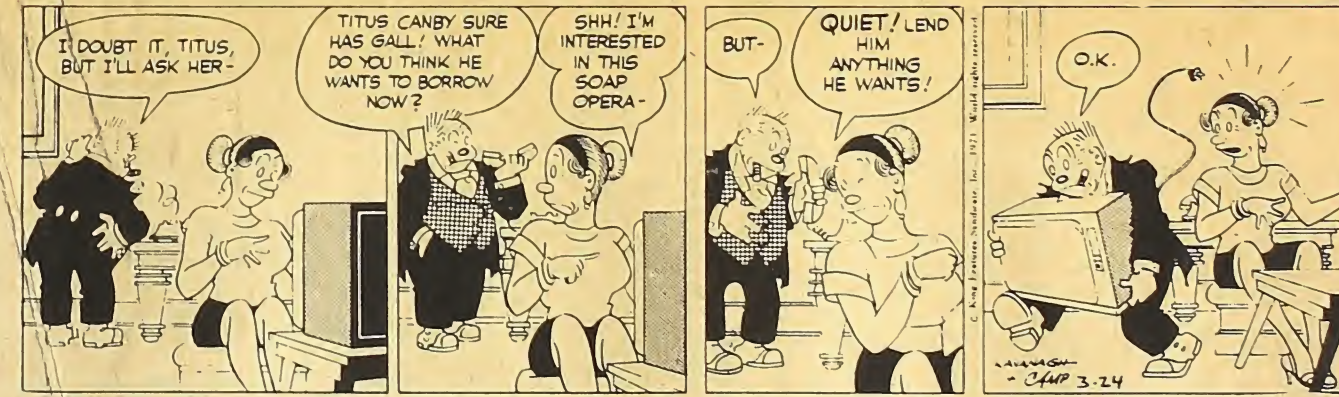

In Stockholm, Sweden stands an institute wherein researchers are studying how too much alcohol in your blood stream affects your ability to listen. When the alcohol content reaches 0.1 per cent, a high noise level does something or other to the inner ear. Makes you hard of hearing. Said it makes you hard of hearing. HARD OF HEARING! Oh, you've heard this bit of whimsy before? All right, but the Stockholm study is fact, truly.

Your questions and comments are welcomed and will be used in Pass It On wherever possible. Please address your letters to L.M. Boyd, P.O. Box 17076, Fort Worth, Texas 76102.

CARROLL RIGHTER'S
HOROSCOPES

Tomorrow's forecast
from the Carroll Righter Institute

General tendencies: It seems difficult to put some new arrangements into effect because most everyone is thinking about what he or she can get out of some condition. However, it is possible by your own cleverness in not stepping on anyone else's toes or pet theories to gain the goodwill and active results you want.

Aries (Mar. 21 to Apr. 19) Regardless of how much you wish to go out for fun, be wise and do those practical tasks that mean a great deal to you. Not the right day for making radical changes. Plan expansion but take no action today.

Taurus (Apr. 20 to May 20) Find the right way to ingratiate yourself further into the good graces of friends of worth now and show you are interested in their well being. Forget that party to which you are invited. Keep rooted to business matters of importance.

Gemini (May 21 to June 21) Support officials loyally instead of bucking them and you get fine results in the future. Calm down that irate associate in a gently way. Await a better time to do civic work. It would be difficult for you today.

Moon Children (June 22 to July 21) This is not the right day to put fascinating new ideas to work, but you can study them further now. Listening to suggestions from a person with a different background from yours is good. Get the right slant on things.

Leo (July 22 to Aug. 21) If you look objectively at all those obligations you have to handle, you find they are not so difficult after all. Get the cooperation of co-workers and you handle work affairs much better. Avoid arguments.

Virgo (Aug. 22 to Sept. 22) Find the best way to come to a real understanding with an associate who has an axe to grind. Work on that weak point he or she has. Taking no chances where your reputation is concerned is most important.

Libra (Sept. 23 to Oct. 22) Although the duties ahead of you are somewhat dull, they are nevertheless important so keep at them and they are soon behind you. Do that

shopping some other time. Avoid social activity tonight.

Scorpio (Oct. 23 to Nov. 21) Do nothing that will further disturb a partner who is already in a somewhat distraught state of mind. Get busy on some hobby or other instead of spending too much money with friends. Pay that important bill.

Sagittarius (Nov. 22 to Dec. 21) You have to be more practical if you are to come to a better understanding with family right now. You have been using your imagination too much. Fixing up abode is a good idea and you put your energy to practical use.

Capricorn (Dec. 22 to Jan. 20) Forget self for awhile and see what you can do to help others more who are in far worse shape than you think you are. This will indirectly help you gain own aims as well. Stop being so pessimistic.

Aquarius (Jan. 21 to Feb. 19) Stop criticizing friends so much and get busy giving them a pat on the back where most deserved. Confer with some expert and see how to make the future much brighter. Look on the sunny side of life.

Pisces (Feb. 20 to Mar. 20) Forget that easy chair. Make this a productive day; meet with business people who know the score or go out and shop. Take care of correspondence, read brochures. Put more zip into your life.

If your child is born today... he or she will be one of those fascinating young people who will be most resourceful and capable and can accomplish a good deal because of the practical nature here, once the habit of daydreaming is curbed. Give enough time to play. Provide sports and supervise the diet early. Slant the education along lines that have to do with handling or managing property, banking, newspaper work, writing, etc. Send to the schools desired. "The Stars impel, they do not compel." What you make of your life is largely up to you!

Carroll Righter's Individual Forecast for your sign for April is now ready. For your copy send your birthdate and \$1 to Carroll Righter Rorecast, The Daily Eagle, Box 629, Hollywood, Calif. 90028.

Gospel sing will raise camp funds

The Sixth graders at Beverly Elementary School, Romulus, are sponsoring an Easter Gospel Concert to raise funds for their upcoming camping trip.

The concert will be held at the Romulus High School Auditorium beginning at 3 p.m. on Palm Sunday, April 4.

Featuring local church choirs and gospel singers from throughout the metropolitan area and Toledo, the program is produced and directed by Alvin "Pete" Gray.

Gray, a former student at

Beverly School, says "this will undoubtedly be the biggest affair of its kind in Romulus."

Tickets are on sale at Beverly School and Stephen's Drugs, 6584 S. Wayne Road. General admission is \$1 per person.

The sixth grade teachers are Miss Candace Wonn and Miss Vera Gibson.

The camping trip is planned for May 10 through 14 at the Detroit Baptist Camp in Lapeer, Mich.

Band gets rating of excellent

The North Junior High School Band, composed of 50 members from the seventh, eighth and ninth grades, participated in the District Band Festival and Contest held at the Saline High School last Saturday.

Following performances by individual members of the band and a site reading by the whole band, contest judges awarded the band a rating of "Excellent."

The band performs under the direction of Richard Coffelt.

CITY OF BELLEVILLE COUNCIL MINUTES

REGULAR MEETING MARCH 15, 1971

A regular meeting of the City Council for the City of Belleville, County of Wayne and State of Michigan, was called to order by Mayor Smith, with Councilman Palmer, Boone and Hamlin present.

Councilman Amerman absent.

Motion by Hamlin, seconded by Palmer, that Councilman Amerman be excused from this meeting. Carried unanimously.

Students Jim Wolters and Dean Turney attended the Council meeting studying Government from Belleville High School.

Also present were Mr. Robert Hay, John Hay, Gordon Hay, Terry Dardas, Mr. and Mrs. McKee, Mr. and Mrs. Leon Tucholski, Mr. Ostrowski, Mr. and Mrs. Charles Baisch, Mrs. Vollberg, Mr. and Mrs. Gwilliams, Vera Noff, Mr. Ostrowski, Casimer Michniewicz, Sue Thompson, Greta Thompson, Ron Thompson, Leo Byrnes. They were all present in regards to the request of Mr. Robert Hay, for the rezoning of his property.

Motion by Palmer, seconded by Hamlin, that the minutes of the regular meeting held March 1, 1971 be approved. Carried unanimously.

Motion by Boone, seconded by Palmer, that the bills presented for payment be paid. Carried unanimously.

Motion by Hamlin, seconded by Boone, that the City Treasurer's report for the month of February, 1971 be accepted. Carried unanimously.

At 8:30 p.m. Mayor Smith invited anyone present to discuss the request of Mr. Robert Hay.

The Clerk was instructed to read the portion of the Minutes of the City Planning Commission's regular meeting, held February 9, 1971, recommending to the City Council to deny the request of Mr. Robert Hay, to re-zone Lot 11 of the Highlands Subdivision from R-2 to an R-M District.

Art Tucholski, spokesman for the group, presented the Mayor and City Council with a petition.

Mayor Smith instructed the Clerk to read the petition to all present and file it with the minutes. The petition was the objections of the people who are residents of this district. The petition was signed by 37 residents.

Mr. Robert Hay presented the City Council with a drawing of the proposed development of his parking request, and explained to all present his intentions.

After considerable discussion, Motion by Hamlin, seconded by Boone, that the request be tabled until April 5, 1971. Carried unanimously.

Upon Motion by Boone, supported by Palmer, the following ordinance was adopted:

CITY OF BELLEVILLE
ORDINANCE NO. 71-114

AN ORDINANCE TO PROVIDE FOR THE CITY ELECTION PROCEDURES PURSUANT TO THE PROVISIONS OF ACT 239 OF THE PUBLIC ACTS OF 1970.

THE CITY OF BELLEVILLE ORDAINS:

Section 1. REGULAR ELECTIONS: A non-partisan regular City Election shall be held on the Tuesday succeeding the first Monday in November in every odd numbered year beginning in 1973. (Changes Article VII, Section 2 of the City Charter.)

Section 2. NOMINATING PETITIONS. Persons desiring to qualify as candidates for any elective office under this Charter shall file with the Clerk a petition (herefor signed by not less than twenty (20) nor more than forty (40) registered electors of the City not later than 12 o'clock noon on the fourth Saturday prior to the date of the regular City election. Blank petitions in substantially the same form as required by State Law for State and County officers, except for references to party, shall be prepared and furnished by the Clerk. At least one week before, and not more than three weeks before, the last day for filing nominating petitions, the Clerk shall publish notice to the day for filing nominating petitions, the Clerk shall publish notice to that effect. No person shall sign his name to a greater number of petitions for any one office than there are candidates to be elected to said office. Where any name appears on more petitions than there are candidates to be elected to said office, such name shall not be counted upon any petition for that office. (Same as Article VII, Section 7 of the City Charter.)

Section 3. TERM OF OFFICE. The Mayor, Each Councilman and the Treasurer and the Constable shall hold office for a term of two (2) years from 7:30 o'clock in the evening of the third Monday in November in every odd numbered year. (Changing Article II, Section 2 of the City Charter.)

Section 4. TERM OF OFFICE EXTENDED. The elective officers of the City elected at the regular City Election in April of 1970 shall hold office until the time provided in Section 3 of this Ordinance.

Section 5. OTHER CHARTER PROVISIONS. Except as changed in this Ordinance pursuant to the provisions of Act 239 of the Public Acts of 1970, all other provisions of the City Charter relating to elective officers and elections shall remain in full force and effect, subject to any prior modifications or changes made by statute.

Section 6. EFFECTIVE DATE. This Ordinance shall become effective on March 31, 1971.

AYES: PALMER, HAMLIN, BOONE, SMITH, NAYS: NONE ABSENT: AMERMAN.

Motion by Boone, seconded by Hamlin, that the meeting be adjourned. Carried unanimously.

Irwin W. Stech
City Clerk

SPELLING BEE CHAMPS — South Junior High School, Belle, has announced that Miss Patti Perry (left) eighth grader and daughter of Mr. and Mrs. Robert Perry, 45581 Harmony Lane, is the champion speller this year. She is with Miss Sue Laminen, staff advisor; and Miss Betty Teasdale, eighth grader and daughter of Mr. and Mrs. John Teasdale, 5087 Huron River Dr. Ypsilanti who was the runner-up in the recent spelling bee.

'Brigadoon' cast begins rehearsal

The cast has been announced and rehearsals have begun for the 1971 Belleville High School's presentation of Lerner and Loewe's famous Broadway musical "BRIGADOON."

Keith Drayton, choir director at Belleville High School last year's successful musical, "OKLAHOMA," announced the cast last week.

Practicing a Scottish accent for their roles are: Dale Burger, Roger Gillespie, David Salisbury, Ron Parsons and Barry Sutcliffe.

Other character roles will be portrayed by Bill Brown, Dennis Lochrie, Tom Ketchum, Wayne Smolen, Shirley Oberdorf, Jackie Webb, Kaye Ivan, Sue Watson and Keith Hubbs.

Leading roles were also awarded to Mike Bishop,

Chris Lochrie, Dennis Lochrie, Jack Verde, Sandy Bracken and Lynn Orr.

Forty-four non-speaking roles are included in the performance.

A number of students will be behind the scenes applying make-up, gathering and setting props and playing in the orchestra.

This year's musical is co-directed by Mrs. Karen Sinkus. Technical directors are Greg Heuer and Glenn Curtis. Stage and prop director is Mrs. Peggy Curtis. Mrs. Marge Emerson is publicity director.

This year's performances are on May 14, 15, 20, and 21 in the Belleville High School Auditorium.

The coming weeks of spring promise to be busy for the many students involved in the "BRIGADOON" production.

Edison awarded permit

A building permit to construct an electrical distribution control house has been issued to the Detroit Edison Company by the Romulus Building Department.

The one-story facility built on the south side of Wabash between Huron River

Dr. and Cogswell Rd., Romulus.

Estimated construction cost was reported at \$35,000.

In Nero's Palace the dining room walls had moveable ivory plates which concealed pipes that sprayed perfumes on guests at regular intervals.

Mahalak sponsors bill for war veterans bonus

LANSING — Rep. Edward E. Mahalak (D-38th District) sponsored a maximum \$500 bonus bill late last week for veterans of Vietnam or their survivors.

He estimated it would cost the state \$95.8 million if maximum use were made of the bonus.

Mahalak, whose district includes Belleville and Romulus, Van Buren, Huron and Sumpter townships, is chairman of the House committee of military and veterans affairs.

His bill would permit a bonus of \$15 a month for overseas duty and \$10 a month for stateside service up to a maximum of \$500.

thus avoiding a drain on Michigan's already distressed general fund.

"It is in my view the best way to finance the bonuses," he said. "It is the same practice used to provide bonuses for veterans of other wars."

Mahalak's figures show that there have been 189,000 Vietnam veterans from Michigan discharged from the service as of last June 30. The period covered includes service after Aug. 4, 1964.

In addition, Michigan Veterans Trust Fund records show that 2,249 Michigan servicemen have been killed in the Far East since 1963.

"Michigan has provided veterans of other wars with bonuses and I feel it is only right that we should extend this benefit to Vietnam

veterans," Mahalak said.

"It is the least we can do to show our respect and appreciation for our Michigan men and women who have served and sacrificed in Vietnam," he added.

The bonuses Mahalak proposed would be limited to those service men and women who are eligible for the Vietnam Service Medal or the Armed Forces Expeditionary Medal-Vietnam area.

Applications for the bonuses, under Mahalak's bill would be made by the veteran or his survivors to the state adjutant general.

The bond issue question would be placed before voters at the next general election.

Thomas L. Harris has been a funeral director since 1947. But the Harris tradition of fine service at moderate cost started in 1910 under his father and grandfather. Tom's education at Wheaton College and Wayne University provided his professional qualifications.

However, he considers his intensive apprenticeship in the family-operated business more important. "Our professional responsibility," Tom Harris says, "is knowing what must be done and doing it with finesse.

We try to carry out our duties with real concern for the family's needs."

Five Harris locations serve Metropolitan Detroit.

Band members rated excellent

The North Junior High Concert Band of 50 members journeyed to Saline, for the recent District Band Festival and Contest.

The concert band, under the direction of Richard Coffelt, played three numbers: "Officer of the Day" by Hall, a march, "Sarabande and Gavotte" by Corelli, and "Swedish Folk Suite" by Osterling.

After their concert performance, the band members were tested on their ability to read music at sight.

Two pieces of music were passed out to each member, music the students had never seen before, and with a few minutes study, they were to play them to the best of their ability.

Students received a very excellent rating for their performance.

Judging the bands at the festival and contest were: Glenn Smith, Three Rivers High School band director; Robert Clark, Michigan State University professor; Don Lupp, Henry Ford Community College professor; and Paul Harden, Michigan State University professor.

The concert bandsmen are ninth graders: Seri Leppio, Debbie Waddell, Shelly Cole, Pat Heath, Sandra Memering, John Klonaris, Cheryl Hayward, Reva Selle, Debbie Rice, Linda Bollman, Pamela Warblow, Janice Putansu, Hiedi Klien and Jeff Lockwood.

Art Myers, Charles Rock, Ray Wilson, Keith Brockette, Wayne Meir, Robert Ley, Bill Kinsella, Tim Clayton, Hubert Russell and Jim Spencer.

Eighth graders: Brian Cullin, Jeff Beck, Daniel Jackson, Todd Humphrey, Scott Rice, Pat Gefre, Keith Green, Brian Derr and Bill Price.

Carl Zentz, Glenn Harvey, Jeff Lockwood, Elizabeth Vorich, Kim Richie, Karen Griess, Michelle Good, Sheree Vincent, Nancy Ostrowsky, Richard Sprout, Susan Brown Sheryl Milligan,

GIRL SCOUT INTERNATIONAL — Romulus Girl Scout troops from various elementary schools in Romulus presented an international program in observance of Girl Scout week at the Romulus Senior High School Auditorium. Approximately 15 Girl Scouts took part in the program. Displaying

the various Girl Scout uniforms are (from left) Brownie Scout Shona Silvey, Mexico; Dawn Hutchison, junior Girl Scout, American Indian; Sherry Wonn, senior Girl Scout, Scotland; Bridgette Johnson, junior Girl Scout, Mexico; and Alenia Warren, junior Girl Scout, Mexico.

County would amend bill for park money

Some Wayne County commissioners are fed up with supplying funds to the Huron-Clinton Metropolitan Authority, since the Authority provides "very little" to Wayne County itself.

The Authority is seeking permission from the state legislature to increase the millage for its operation from one quarter to a half mill.

If the bill as presently written, Wayne County would be automatically required to provide an additional \$3 million for the Authority's operation out of the County General Fund.

"We get very little from Huron-

Clinton," said 11th District Commissioner Paul Silver, commenting on the fact that the Authority's recreational facilities are not in Wayne County, but in the surrounding area.

Silver said he would prefer spending the extra money on recreation areas in the county, and urged that the board strongly oppose the increase in millage.

Commissioner Frederick Yates, 9th District, echoed similar sentiments, but pointed out to Silver that facilities similar to Huron-

Clinton projects were impossible in Wayne County because of lack of suitable locations.

Yates favored instead scattered playfields, which he says would "get the children off the streets from 5:30 to 9:30," when they need diversion.

The board approved the preparation of an amendment to the state bill that the additional millage, if voted by the people, be outside the existing millage limitations and not from County General Funds.

Dance to benefit Easter Seal Unit

A teenage dance under the sponsorship of the Romulus Jaycee Club and the Western Wayne County Easter Seal Society will be held from 7 p.m. to midnight April 2 at the Hilton Inn, located on Wick Road near the Detroit Metropolitan Airport.

Tickets for the dance will be going on sale this week and can be purchased from any Romulus Jaycee or from Leonard J. Folmar at the Romulus City Hall. The tickets are \$2 for singles and \$3 for couples.

All the proceeds from the teen dance will be donated to

the Western Wayne County Easter Seal Society.

For any further information regarding the dance contact Robert Champagne, dance chairman, at 941-3687.

Thrift shop operative despite OEO closing

Since the closing of the Romulus branch of the Office of Economic Opportunity (OEO), inquiries have been made on how referrals can be received for the Thrift Shop Clothing Room. Mrs. Catherine Pritula, of the Helping Hand Thrift Shop, Romulus, disclosed Monday.

The Helping Hand Thrift Shop, located in the old Cory School, 7335 Washington St., is not affiliated with any organization, non-profit or otherwise, Mrs. Pritula said.

The shop is an independent operation but has been of assistance to service organizations in the area, she added.

People who have used the shop in the past still qualify as well as anyone with medical problems, low income, up-to-date ADC and welfare recipients, those receiving social security benefits and those with large families and recent layoffs.

School teachers and principals are available to refer families or persons in need of clothing. Clothing supply at times is limited, Mrs. Pritula reported.

She issued a reminder to Romulus residents to keep the Thrift Shop in mind when

cleaning out children's clothing, especially boots and shoes.

Baby layettes are made at the shop. And there is a need for sweaters, booties, bonnets and blankets.

Donations of clothing for the Thrift Shop can be taken to Wayne County General Hospital and Northville State Hospital, but transportation is a problem, so anyone wishing to volunteer such service to the Thrift Shop will be appreciated.

For any further information interested persons are asked

to contact Mrs. Pritula at 941-6064 or Mrs. June Blanton at 722-3877.

REAL ESTATE CLASS GRADUATES — Astro Realty Company of New Boston has announced the graduates of its first Real Estate Course. The class took the state examination for Real Estate Salesman last week. They are (from left, seated) Eugene Perecki, Lucille A. Germain, Helen M. Hamilton, Joseph V. Kormos, Jr. and Richard W. Guenthardt.

Standing (from left) are Clifford Glenn, president of Astro Realty Co., Floyd J. Rozman, Oscar Warrow, Lee Jackson, Lee Truax and Marshall W. Millar, director of personal training for Astro. Not pictured are Robert Pelley and Gerald Pichan.

CYO award go to priest, worker

Fr. Leo N. Sheltreau, pastor of St. John Bosco parish, and J. Frank McGough, a retired trucking company executive, will receive the chief accolades at the Catholic Youth Organization's third annual awards dinner at Mercy College Sunday, March 28.

The Msgr. Markey award, for a priest who has made a very significant contribution to the work of CYO, will be conferred upon Fr. Sheltreau for two decades of effective service.

An assistant to Msgr. Markey at St. Vincent's parish and later at Visitation he was engaged in a multitude of CYO activities from his ordination in 1937 until he was assigned to establish St. John Bosco

parish in 1956. He was director of the CYO board member for outstanding achievement.

He was director of the CYO Community Center from 1943 to 1951, and archdiocesan chaplain for all Scouting--Boy Scouts, Girl Scouts and Camp Fire Girls--from 1938 to 1953.

The Joe Glaser award, for a CYO board member for outstanding achievements, will be presented to McGough in appreciation of his extraordinary efforts in support of the organization. He joined the board of directors when it was initiated in 1939 and worked continuously in positions of unusual responsibility until he resigned in 1954.

Supper marks Girl Scout Week

A Father-Daughter Supper (pot-luck style) featured Girl Scout Troop 269's (New Boston) observance of this year's Girl Scout Week.

The program, held on March 12, opened with a flag ceremony by Girl Scouts Kathy Pershing, Cheryl Sobodash, Pam Hudelston, Robbie Scarborough and Lynn Dettlor.

Following the father and daughter supper, a program of entertainment that included group singing and musical selections by a band trio composed of Susie Sergeant, Joanne Bannas and Sandra Wilk was presented.

Cheryl Ann Wilk presented a piano solo and the fathers gave their rendition of "Beautiful Doll."

Our men in service Farmers may appeal for conserving base adjustment

Airman Burl U. Chadwick, son of Mr. and Mrs. Burl Chadwick, 11090 Delano, Romulus, has completed basic training at Lackland AFB, Tex. He has been assigned to Sheppard AFB, Tex., for training as a medical services specialist.

Airman Chadwick is a 1967 graduate of Romulus High School and attended Eastern Michigan University.

U. S. Marine Private Lawrence D. Peter, son of Mr. and Mrs. Lawrence Peter Sr. of 28000 North Line Rd., Romulus, is now enjoying home leave.

Pvt. Peter, recently graduated from the Marine Recruit Training School at San Diego, California, spent a month at Camp Pendleton for Infantry Training.

He will depart in a week for schooling in the Marine air division.

According to Nick Smith, Chairman of the Michigan State ASC Committee, farmers participating in the new 1971 Feed Grain and Wheat Program will be required to report the exact acreages of their corn, wheat and set-aside acres.

At the time a producer makes his report he will be asked to designate on an aerial photo the area that he is setting aside from production. In the case of the feed Grain farmer this would be an acreage equal to 20 per cent of his feed grain base, and in the case of wheat, 75 per cent of his designated wheat acreage. Payments can be made only when a report stating these acreages is on file in the County ASCS office.

It is very important, Smith points out, that the producer understands that when he has once filed a report, there can be no substitution of the set-aside acreage. The set-aside acreage must be in an approved conserving use. No crop can be harvested from this acreage nor can it be pastured until September 1.

In addition to maintaining the set-aside acreage on the farm, producers are also required to maintain a normal conserving base for the farm. County ASC Committees may

adjust conserving base acres upon request from the producer thru April 9. Smith feels that this is very important to the farmers in Michigan because it gives

them greater latitude in their over-all farming operation.

In addition to certifying to the exact acreage of program crops and set-asides, farmers

will be requested to estimate the acreages of soybeans, oats, barley and rye and report these acreages at the time certification is filed for feed grain and wheat.

Big Brother program needs volunteers for county area

Wayne County needs Big Brothers and you can be one. Charles Dick, of Romulus, who is directing an area-wide drive for volunteers, described the movement. He said:

"The movement is a service that brings a mature man into a personal individual relationship with a growing boy who might otherwise lose his way in life. The essential principle is 'One Man to One Boy.'"

The movement has been a significant human effort in the prevention and correction of juvenile delinquency.

The basis of the program is the need for male identification, the absence of which may create social problems.

Who is the Little Brother: Dick states that the Little Brother is a child needing friendship, affection, advice and guidance. He may be in difficulty with the law; he may be socially maladjusted; he may be fatherless or just an unhappy, unfortunate boy in need of male influence and companionship.

The boys are referred to the movement by the courts, public schools, social agencies, clergymen and church workers and many parents and relatives. The ages are from eight to 17.

Who is the Big Brother: The Big Brother is a mature, stable personable

man of good character who is willing to invest of his time and himself in a youngster who needs friends.

Big Brothers are volunteers. They are people who understand and appreciate the act of friendship. Volunteers after orientation are assigned to a child based insofar as possible on common interests,

special skills or hobbies and where indicated a mutual religious faith.

"Big Brother work for the adult is a challenging and satisfying experience," said Dicky, one that stimulates a deep and absorbing interest in human beings and their affairs. It is a work which offers unique opportunities for direct personal service to

other human beings. Dick announced that Adult Big Brothers are needed from all races. He asked for volunteers to help the unhappy, maladjusted boy find the right road.

To volunteer for the Big Brother movement call Dick at 941-1924 or Big Brother at 321-1666.

Tornado season coming

Devastating tornadoes in other parts of the country serve as a reminder of Michigan's forthcoming tornado season, according to Col. John R. Plants, State Police director and head of the state Civil Defense unit.

"Over the past 50 years, April has produced the greatest number of tornadoes in Michigan," Plants said. "Our tornado 'season' runs about four months (April through July) but, we've been struck as late as October."

Plants emphasized that local warning systems are still the best defense against loss of life in a tornado experience. He urged local enforcement agencies, Civil Defense units and citizens to establish reporting procedures for early warning communications.

"The State Police and the National Weather Service are cooperating to provide coordination of national, state

and local resources," Plants said.

Civil defense officials advise knowing the difference between an announced tornado "watch" and tornado "warning."

A tornado watch is used to alert the public to the possibility that tornadoes may develop over a certain area. A tornado warning means that a tornado has been sighted in the area or its presence is indicated by radar.

When a tornado signal or

alarm is sounded, officials advise taking cover immediately. In open country a ravine or ditch affords some protection while basements or underground cellars will afford shelter for those at home or work.

Michigan had three confirmed tornadoes in 1970 resulting in more than \$50,000 damage. No loss of life was reported in 1970, nor in any year since 1965 when 55 people were killed in the Palm Sunday tornadoes of April 11.

NOTICE

All interested citizens are advised that the Michigan Department of State Highways is proposing to construct a modern rest area on westbound I-94 between Detroit and Beck roads. This new rest area is being proposed to replace the existing rest area located on westbound I-94 east of Michigan Avenue which will be abandoned because of a conflict with the proposed I-94 reconstruction.

The proposed rest area will be located in the S½ of Section 17, Van Buren Township, Wayne County. The proposal is to construct a modern rest area facility, utilizing the public water and sewage facilities which are available in the area.

Under provisions of federal law, any citizens who would be affected by the proposed plan may request in writing that a formal public hearing concerning the social, environmental and economic effects of this proposal.

A written request should be made to G. Robert Adams, Public Hearings Engineer, Michigan Department of State Highways, State Highways Bureau, 48904. The request must be received on or before April 8, 1971.

FIRST PLACE TROPHY WINNERS — The first school-wide Science Fair held in Belleville under the sponsorship of the Van Buren Education Association drew nearly 1,000 visitors. Winners of the high school

trophy were Mark Ruff (left) and Ron Parsons (center) for their exhibit of Pyro Acoustics-Improved Flame Amplifier. Making the presentation is Sanford E. Cook II, president of the association.

First Science Fair attracts big crowd

The first school-wide Science Fair to be held in Belleville was sponsored by the Van Buren Education Association.

The continuous stream of visitors, estimated to be nearly 1,000 persons and the many exhibits taxed on the available facilities at the masonic temple, 515 Main St., on March 12, 13 and 14.

Members of the Jet Club, a high school scientific organization sponsored by Glenn Curtis, did the preliminary judging of the elementary and junior high exhibits in which they awarded more than 150 blue,

red or white ribbons. These judges were John Petrasky, Ron Parsons and Mark Ruff.

A five-man team of young scientists from the Physics Department of Eastern Michigan University judged the high school exhibit and made final determination of the trophy winners in each division. They also included three honorable mention awards. These scientists were Jim Palmer, John Lewis, Dan Van Wingerden and two brothers from India, Satnam and Kulevaut Bedi.

The high school trophy was awarded to Ron Parsons and Mark Ruff for their exhibit of pyro acoustics-improved

flame amplifier which they demonstrated during exhibition.

The junior high trophy was presented to Ken Ferrier for his exhibit of Heat Transfer. Honorable mention was given to Thomas Bowles for his photo-electric eye; to Steve Davis for his analog computer; to Terri Sienko for her model of a Leopard frog. All of these students are from South Junior High. The boys are eighth graders. Terri is a seventh grader.

Kellie Gale, a sixth grader from West Willow Elementary School was awarded the elementary trophy for her

Incubator and Chick Embryos at Different Stages. Honorable mention was given to Dale Selle of Quirk school for his exhibit of shock waves; Greg Davis of Edgemont School for a High voltage generator circuit; and to Cindy Hudson of West Willow for her study of the embryonic development of chickens.

Mrs. Nancy McClure, South Junior High math-science teacher, was general chairman of the fair.

She was assisted by many faculty members throughout the district either in preparing, arranging, displaying and supervising.

carrying the Easter Seal Appeal for help into Western Wayne County this year. A volunteer Board of Directors, and large numbers of service and clerical volunteers augment a small staff dedicated to the message of the 1971 Easter Seals each of which depicts a crippled child in some normal childhood game or activity.

Information concerning services, volunteer openings or special events related to the campaign may be directed to the Easter Seal Center P.O. Box 101, Inkster 48141 or PA 2-2055.

Special service

BUFFALO, N.Y. — City residents will be able to dial an operator or the 911 police-fire, emergency number without depositing money at any of the city's 600 outdoor pay telephones by early 1972, the New York Telephone Co. has announced.

NOTICE ANNUAL TOWNSHIP MEETING

Notice is hereby given, that the next annual township meeting of the electors of the Township of Sumpter, County of Wayne, State of Michigan, will be held at

SUMPTER TOWNSHIP HALL

23483 SUMPTER ROAD
BEGINNING AT
2:00 P.M. EASTERN STANDARD TIME
SATURDAY, APRIL 3, 1971

Sec. 361. There shall be an annual meeting of the electors of each township on the Saturday preceding the first Monday in April of each year between 1:00 o'clock p.m. and 8:00 o'clock p.m. The time and place of such meeting shall be determined by the Township Board.

CLARENCE J. HOFFMAN JR.
SUMPTER TOWNSHIP CLERK

Sweeping overhaul of Wayne County's governmental structure--including elimination of three elective offices and many appointed boards and commissions--is recommended in a report prepared for the County Board of Commissioners.

Creation of a county executive, either appointed by the Board of Commissioners or elected by the voters, plus reorganization of county services into 12 major departments are also recommended.

The report, product of a months-long study by the Citizens Research Council of Michigan, was presented March 15 to the commissioners' Special Committee on County Reorganization.

The committee decided to hold at least one public hearing to hear views on the report after first inviting county officials and others to submit written comments. No date was set for the hearing.

The special committee was established in 1969 to study the possible need for improvements in the county governmental structure. Its chairman is James DeSana, of Wyandotte, D-District 23.

Its other members are: Eugene A. Sikora, Detroit, D-Dist. 7, vice-chairman; Joseph Cardinal, Dearborn, D-Dist. 21; George G. Killeen, Detroit, D-Dist. 2; James R. McCartney, Westland, D-Dist. 25; Michael J. Novak, Detroit, D-Dist. 1; Thomas P. O'Rourke, Detroit, D-Dist. 14; Paul Silver, Detroit, D-Dist. 11; and Frederick Yates, Detroit, D-Dist. 9.

Major recommendations of the report include:

Elimination of the elected County Drain Commissioner and the appointed three-member Board of County Road Commissioners, with their functions being combined under a new department of public works.

Elimination of the elected three-member Board of County Auditors placing of its functions under a number of the proposed new departments, including a department of finance.

Combining of the elective offices of County Clerk and Register of Deeds into a single record-keeping office. The Board of Commissioners has already adopted a resolution combining these two offices at the end of 1972.

Removal of law enforcement and jail-keeping functions from under the sheriff and placing them under two new departments--public safety and corrections. The only remaining duties of the sheriff would be providing court guards and serving of court papers.

The Prosecuting Attorney's

civil division and the Road Commission's legal division would be merged into a new corporation counsel's office serving all county departments.

Other new county departments would be administrative services, planning and development, parks and recreation, personnel and employee relations, health and environmental protection, library, and institutional and human services.

Implementation of the recommendations would require approval by the Board of Commissioners. Most of the proposed changes would also require action by the State Legislature. Creation of an elected county executive with powers similar to those of a mayor, would also need approval by the voters.

The report describes the present structure of county government as "totally outmoded" -- the result of nearly 200 years of piecemeal constitutional and legislative

actions--with power and authority dispersed among some two dozen boards, commissions and departments.

The proposed reorganization would establish a county structure much like that of a modern city, with most policy-making powers centralized in the elected Board of Commissioners and administrative powers centralized under the county manager or elected county executive. Heads of the 12 major departments would report to the manager or executive.

Boards and commissions which would be abolished include the labor relations board, the board of public works, the Child Development Center administrative board, the Detroit-Wayne County Port Commission, federated library board, planning commission, soldiers relief commission, board of county institutions, plat board and board of health.

In some cases, the report suggests appointment of citizens advisory boards, with advisory power only, in place of boards that would be abolished.

County Easter Seal drive to fund year-round services

The annual Easter Seal appeal for funds to aid crippled children is in full swing now in Western Wayne County as it is in all the 50 states and in Puerto Rico.

The mail distribution of Easter Seals, the street sales of paper lilies made by homebound handicapped persons, the counter canisters and related special events lay the basis for the support of the year-round services of the

Sealed bids are received

Three sealed bids received by the Van Buren Township Board for emergency repair service on all water and sewer lines in the township have been referred to the township engineers and water department for study and recommendations. Township Clerk Mrs. Erma J. Payne reported.

Bids were submitted by Ackron Construction of Belleville, James McCormick Company of Ypsilanti, and Sedlow & Francisco of Trenton, Mich.

Easter Seal Society of Western Wayne County as they do for over 1,400 other local affiliates throughout the land.

Everywhere, the Easter Seal Society supplements but never duplicates services to the handicapped offered by tax-supported agencies or by those supported through federated financing.

In Western Wayne County major needs for services have been found after medical care is complete, when maximum physical restoration has been accomplished through one of the excellent medical resources existing in the area.

The Easter Seal program therefore has been developed in Western Wayne County to help individuals find and use effectively all community resources for their special needs, and then to develop within the limit of its own resources answers to some of the unmet needs.

Since the Easter Seal Center was built especially for handicapped persons by a special building fund drive a dozen years ago, year-round classes and clubs for handicapped teen-agers and adults as well as a summer

Day Camp for crippled children have served thousands.

Some of these have gained self confidence and new skills from their participation in Center activities, and have left specialized groups for activities within the normal stream of community life, including churches, lodges and commercial recreational outlets. Others, more severely handicapped, continue to have need of these special services from Day Camp as small children through adulthood.

Individual services, offered from the Center, round out the Easter Seal program in the area: the loan of special equipment such as wheelchairs or walkers with a doctors approval; assistance with the purchase of such equipment, or special therapy, also on medical recommendation, if no other resources can be found for this.

Over 25,000 letters are

A THOUGHT TO REMEMBER

BY HAROLD REDISKE, DIRECTOR

In a meeting with friends, the subject of Easter came up. Easter, as everyone knows, is not celebrated on the same Sunday every year. Some times it comes early; some times late. This brought up an interesting question. Surprisingly, no one in the group could give the right answer. When you read the question, ask yourself whether you know the answer...

"Why does the Easter date change from year to year; why isn't it on the same date?" Know the answer? Here it is.

Easter is celebrated on the first Sunday after the full moon that occurs on March 21, or on any of the 28 days following that date. Easter therefore can come as early as March 22 or as late as April 25; never before or later.

Incidentally, we hope to have an interesting thought appear for Easter. You will find it a little bit different from the usual Easter comment you hear and read. Watch for it...

UHT MEMORIAL FUNERAL HOME

35400 GLENWOOD AVENUE
WESTLAND PA 1-8555

DON'T FORGET.

its almost Easter time at Westland Center!

Bring the entire family for a day of Easter fun & festivities. Have your picture taken with the Easter Bunny.... he'll have a treat for you.
